The Lady Knights wrapped up an unbelievable season a few weeks back. It started with the ECC Championship, which they won, defeating at the time city #2 Turpin. The following week at Districts, the team took third, despite their #2 runner collapsing less than 200 meters from the finish. This qualified them for Regionals, where they finished 7th overall.

This team has definitely left their mark. 4 athletes will have their name placed on the stadium wall having posted some of the fastest times in Kings history. Sophomore Leah Maschino is #2, and just 0:15 seconds from the #1 spot. Junior Hannah Rasmussen is #4, Senior Hannah Chunn is #13 and Freshman Jennifer Cooper is #14.

The guys had a successful season finishing second in the ECC, just 7 points behind Anderson. The following week, the team ran past Elder at Districts to claim a spot in Regionals. At the Troy Regionals, the team finished 9th, but avenged their loss to Anderson at the event.

Sophomore Gideon Diebel also added his name to the all time list at #14. The coaches are really excited about next years team, as for the first time in their history, they could be returning 14 runners who ran sub 18 minute 5k's this year.

Finally, a meeting for Indoor Track is next Tuesday.

JH Cross Country & Track – Jason Spelic

Kings Junior High Invitational - Landen 10/5/2015

The 7th and 8th grade girls did not have enough runners to have a placing; the 7th grade boys came in 8th out of 11 teams and the 8th grade boys were 8th out of 10. Two 7th grade students had great runs; Emma Murrell came in 9th out of approximately 135 runners and Caleb Chunn was 3rd out of 151 boys.

The ECC Jr High Championships at Landen - 10/13/2015

At this combined race, both the boys and girls placed 5th out of 5 teams. Alexandra Kagy had a great race that day, coming in 7th and Kyle Willging was 1st for the JV race.

The CC Championships at Colerain - 10/19/2015

For the final race of the year, the weather was bright and the competition fierce. Our girls had some great runs with Alexandra Kagy placing 10th and Emma Murrell 16th. The 7th grade boys came in 8th out of 10 teams and the 8th grade boys were 10th out of 11th.

Finally, the Junior High CC Team had its end of the year celebration on Monday, the 26th. Trophies and medals were given out and the junior high coaches, Sandy Riveron, Coach Holly and Coach Adam, received special “thank-yous” from the team. I would like to thank the parents who contributed to the gifts as well as for bringing desserts and beverages to share. 2016 will be even better!
