TWO PRAYERS FOR THANKSGIVING

Countless Blessings

Lord, on this special day of thankfulness,
we thank you not only for the delicious food,
lovingly prepared and presented,
but also for special gifts you've given to this family —
loved ones we cherish dearly,
a comfortable place to live,
the beauty that surrounds us,
material pleasures,
health, spiritual wealth,
and so much more.

How can we show our gratitude for the countless blessings you've provided?
We thank you for giving us clear direction,
through your holy word on how to show our appreciation,
by obeying Your commands
and by loving and serving our neighbors.

Thank you, Lord. Amen.

— *Joanna Fuchs*

Thanksgiving Prayer

For each new morning with its light,
For rest and shelter of the night,
For health and food,
For love and friends,
For everything thy goodness sends.

Thank you. Amen.

— *Ralph Waldo Emerson*

Weekly Reflections

*"...giving thanks to the Father, who has made you fit to share in the inheritance of the holy ones in light."
(Colossians 1:12)*

God wants us to be happy! Instead of looking at the Ten Commandments as being restrictive and telling us what we can't do, look at them as guides for living a joy-filled and peaceful life. Most of our problems arise when we put our own needs first or spend most of our time trying to acquire "things." Instead, try putting God first in all things. Ask Him how He wants you to use your gifts.

Infiltration

by

Dr. Taylor Marshall

Description: It took nearly two millennia for the enemies of the Catholic Church to realize they could not successfully attack the Church from the outside. Indeed, countless nemeses from Nero to Napoleon succeeded only in creating sympathy and martyrs for our Catholic Faith.

That all changed in the mid-19th century, when clandestine societies populated by Modernists and Marxists hatched a plan to subvert the Catholic Church from within. Their goal: to change Her doctrine, Her liturgy, and Her mission.

In this captivating and carefully documented book, Dr. Taylor Marshall pulls back the curtain on their nefarious plan, showing how these enemies of Christ strategically infiltrated the seminaries, then the priesthood, then the episcopacy, and eventually the cardinal-electors all with the eventual goal of electing one of their own as pope.

You'll come to see that the seemingly endless scandals plaguing the Church are not the result, as so many think, of cultural changes, or of Vatican II, but rather the natural consequences of an orchestrated demonic plot to destroy the Church.
