ABOUT

South Carolina Artists is a dynamic not-for-profit group whose mission is to promote visual arts in South Carolina through its many exhibits, programs, activities and festivals. We have served the Midlands area for over ten years. Organizing and managing creative spaces for emerging-to-established artists, unique hands-on instruction and exhibition opportunities in locally owned businesses. Providing members with a community to work together, encouragement, learn proper exhibiting techniques and promote awareness of art appreciation.

WHAT WE DO | WHO WE ARE

SCA provides managed art exhibits in local businesses and public spaces. SCA organizers volunteer their time forming connections with local businesses. From organizing exhibits, maintaining communication with members, promoting artistic opportunities, facilitating rotations, coordinating art openings and more.

MISSION

Provide Emerging, Amateur & Professional creatives with the opportunity to learn and grow their skills through public exhibitions, public relations, social media, sales of their art, with a once a year fee and no other hidden fees or sales percentages. Provide mentoring and mentoring opportunities that visually enrich and strengthen the arts community by promoting local professional art in local businesses.

Exhibits, events and more are coordinated for every member who signs up to participate. When you are a part of an artists community you are no longer alone.

As an artists-for-artists group, we are dedicated to providing public exhibits, professional support and ongoing inspiration for the community as a whole. As artists we understand art must be exhibited to truly be appreciated. Our mission is to visually enrich and strengthen the community by promoting the exhibition of local, professional art in work spaces and general public areas.

We Do Not
