The Official Newsletter of the Hunters Green Men's Golf Association

Dear Fellow MGA Members,

2017 is going fast and another event is in the books. Congratulations to **Claude Gagnon** and **Jeff Fine** for their win on the Gross and **Chris Doyle** and **Jim Dunphy** in taking home the Net – and the Hunters Cup Points – in the Eclectic Tournament.

Our next event is the Pinehurst qualifier on May 20th **at Tampa Palms**. Information and details are available at www.hg-mga.com. This event clearly has the best prize of the year – an all-expenses paid trip to compete in the Club Corp Team Championships at the Pinehurst Resort. The trip is top shelf and as the players who have previously won will attest, it's one of the best golf trips you will ever attend.

2017 has been a fun year so far and the MGA Board hopes to continue adding value to our golf tournaments. We are always looking for feedback, and your input is what leads us to improve our events. I hope everyone enjoyed the tee gifts at the MGA Eclectic Tournament. Our goal is to make every event special and memorable.

We would like to encourage all of our members to take pictures during the events and send them in to the committee. Next year at the MGA Annual Meeting we will display them in hopes of reliving the moments of the previous year. We are looking to hire a photographer at some of the events to help with that, but some of the best pictures come from you as funny and unforgettable things happen during the rounds.

As we move into our greens renovation the MGA will provide communication on our events. Please visit the MGA website frequently to see updates and information related to offsite events.

We are excited about the renovation and believe we will have one of the best golf courses in Tampa when the greens are finished. Please utilize the club as much as possible for dinner and other events to help our management team keep things going during the down time of the course.

Please join me in thanking **Brian Mortillaro** and his team for keeping the greens in excellent condition all season. We understand it was a temporary fix, but it was great to see a preview of what is to come. As always, I look forward to seeing you around the club!

Kevin Bray, MGA President.

Champions Crowned in the MGA Eclectic!

In the last tournament before the course closes for greens renovation, Chris Doyle and Jim Dunphy bested the field to take home the Overall NET Championship. Doyle/Dunphy shot a net score of 53 (-19) in the 2-day event. Claude Gagnon and Jeff Fine used a solid last 9 holes from Fine to take home the trophy for Overall GROSS Champions.

The tournament propelled both Doyle and Dunphy into the Top 10 on the Hunter's Cup points list, and caused a lot of movement on the list of "The 24."

The next 2 events will take place at Tampa Palms as our greens are being replaced. The Pinehurst Qualifier (May 20&21) 1st place prize makes playing the challenging layout worthwhile. Tough Day is June 24, and what a better place to play a "Tough Day Competition" than Tampa Palms.

Put your foursome together and sign up for the Pinehurst event today!
