

Paderewski Model Yacht Club

2017 EC12 Class

FUN Regatta

Notice of Race

Hi Guys!

Wanted to send you a reminder and let some of you know about our annual EC12 race coming up on Saturday the 13th of May.

It's a fun Club race to get our EC12s out of the closet and get them wet with a little bit of friendly competition.

Race will start about 9:30 - 10:00 AM. Skippers meeting just before this. I'll bring water, a tent to hide from the sun under and some morning treats. Bring your own lunch. We will sail through about 2 or so.

All are welcome!

Hope to see you there!

David Hopkinson
