

St. Joseph's Polish Society Memorial Scholarship

2022 Scholarship Application Directions

Criteria for the scholarship include financial need, scholastic record, attitude, and leadership.

To be considered for one of the St. Joseph's Polish Society scholarships you must complete pages 2 through 4 of the application and return it to your guidance counselor. In addition, your guidance counselor must complete page 5.

Please include a short essay on a separate sheet of paper telling the review board about yourself, your motivations, your ambitions, why you are an excellent candidate for this scholarship, and any other abilities you have that were not previously mentioned in this application. This should be your best work. Proofread and take your time.

It is particularly important that you oversee the process for the completion of page 5. Place your name on the line and give this to your guidance counselor as soon as possible. Follow up with them to make sure that they have filled it out and submitted it. **Your scholarship application cannot be processed without being submitted on time.**

Good luck on your application submittal!
