Parking Change Announcement

8/16/2018

Dear Homeowners/Residents:

The parking spaces in the cutout at the Liberty Bell Court end of the Burke Road service road have been changed to VISITOR PARKING. The spaces have been defined with lines, the word "VISITOR" has been clearly stenciled on the curb adjacent to each space and new signs with arrows designating the spaces as visitor spaces have been installed.

Heritage Square Homes Association VISITOR PARKING rules are now in force for those spaces just as they are throughout the community.

These spaces are for your visitors only and must display the visitor hangtag assigned to your address or they will be subject to towing. The hangtag must be hung from the rearview mirror so the number can be clearly read through the windshield
