Section 10. Lakes. Water Bodies and Wetlands. All lakes, ponds, and streams within the properties, if any, shall be aesthetic amenities only, and no other use thereof, including, without limitation, swimming, motorized boating, playing, or use of personal flotation devices, shall be permitted. Other than those installed by the Declarant, no piers, docks or gazebos shall be constructed on any portion of lakes, streams, ponds, nor attached to the shoreline or banks thereof. The Association shall not be responsible

for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of lakes, ponds, or streams within the properties.

Section 11. Religious and Holiday Displays. The rights of Owners to display religious and holiday signs, symbols, and decorations inside their Living Units of the kinds normally displayed in residences located in single-family residential neighborhoods shall not be abridged; provided however, that the Association may adopt and enforce time, location, esthetic and manner regulations governing exterior displays.

### EASEMENTS

Section 1. Utility Easements. All of the Properties, including Lots, Living Units, Community Common Property and Common Areas, shall be subject to such easements for driveways, walkways, parking areas, water lines, sanitary sewers, storm drainage facilities, gas lines, telephone and electric power line and other public utilities as shall be established by the Declarant or by its predecessors in title, prior to the subjecting of the Properties to this Declaration; and the Association shall have the power and authority to grant and establish upon, over, under and across the Community Common Property conveyed to it such further easements as are requisite for the convenient use and enjoyment of the Properties without approval of the membership as provided in the Articles of Incorporation.

Section 2. Easement for Related Maintenance. The Declarant reserves for itself and its successors, assigns, and designees the nonexclusive right and easement, but not the obligation, to enter upon the stream located upon the Properties in order to remove trash and other debris therefrom and fulfill maintenance responsibilities as elsewhere provided for in this Declaration. The Declarants rights and easements provided in this Section shall be transferred to the Association at such time as the Declarant may elect, in its sole discretion, to transfer such rights by a written instrument.

Section 3. Adjoining Areas. Each Owner is hereby declared to have an easement and the same is hereby granted by the declarant over all adjoining parcels for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of a building, or any other cause. There shall be valid easements for the maintenance of said encroachment, settlement or shifting;

provided however, that in no event shall a valid easement for encroachment be created in favor of an Owner if said encroachment occurred due to the willful misconduct of said Owner.

Section 4. Unintentional Encroachments. In the event that any Lot or Living Unit shall encroach upon any Community Common Property or upon any other Lot or Living Unit for any reason not caused by the purposeful or negligent act of the Owner, then an easement appurtenant to such Lot or living Units shall exist for the continuance and maintenance of such encroachment upon the Community Common Property or other Lot or Living Units for so long as such encroachment shall naturally exist and in the event that any portion of the Community Common Property shall encroach upon any Lot or Living Unit, then an easement shall exist for the continuance and maintenance of such encroachment of the Community Common Property onto any such Lot or Living Unit for so long as such encroachment shall naturally exist.

Section 5. Overhanging Roofs and Eaves. Each Lot and Living Unit within the Properties and the Owner thereof, is hereby declared to have an easement and the same is hereby granted by the Declarant, over each joining Lot and Living Unit and/or Community Common Property, as the case may be, for overhanging roofs and eaves and the maintenance thereof.

Section 6. Priority of Easements. Each of the easements hereinabove referred to shall be deemed to be established upon the recordation of this Declaration and shall henceforth be deemed to be covenants running with the land for the use and benefit of the Lots, and the Community Common Property, as the case may be, superior to all other encumbrances which may hereafter be applied against or in favor of the Properties or any portion thereof.

## ARTICLE Xi

### INSURANCE

Section 1. Insurance to be Maintained by the Association. The following insurance coverage shall be maintained in full force and effect by the Association:

(a) Property damage insurance at one hundred percent (100%) of the current replacement cost of the Community Common Property, excluding those areas that are normally excluded from coverage such as land, earthen dams, foundation, excavation, etc. The property damage policy must *protect against* loss or damage by fire and all other hazards that are normally covered by the standard extended coverage endorsement, and all other perils customarily covered for similar types of projects, including those covered by the standard "all-risk" endorsement.

(b) Public liability insurance covering any Community Common Property and any other areas that are under the Association's control and supervision in an *amount* of at least \$1,000,000.00 for bodily injury and property damage for any single occurrence. All liability insurance shall contain cross liability endorsements to cover liability of the owners as a group to an individual owner.

Section 2. Premiums. Premiums for insurance policies purchased by the Association shall be paid by the Association and charged ratably to Owners as an assessment according to the applicable provisions of this Declaration.

Section 3. Insurance Beneficiaries. All such insurance policies shall be purchased by the Association for the benefit of the Association and the Owners.

## ARTICLE XII

### ELECTRICAL SERVICE

Declarant reserves the right to subject the Properties to a contract for the installation of underground electric cables and/or the installation of street lighting, either or both of which may require an initial payment and/or a continuing monthly payment by the Owner of each lot within the Properties.

## ARTICLE XIII

ARCHITECTURAL CONTROL AND INSPECTION

Section 1. General Provisions. No site preparation or initial construction, erection, or installation of any improvements, including, but not limited to, residences, buildings, outbuildings, fences, walls and other structures, shall be undertaken upon the Properties, unless plans and specifications therefore, showing the nature, kind, shape, height, materials, and location of the proposed improvements shall have been submitted to Declarant and expressly approved in writing by it.

This Article shall not apply to the activities of the Declarant, nor to the improvements to the Common Area by or on behalf of the Association. This Article may not be amended without the Declarant's written consent so long as the Declarant owns any land subject to this Declaration or subject to annexation to this Declaration.

No subsequent alteration or modification of improvements may be undertaken on any of the Properties which shall not be subject to the foregoing requirement, without prior review and express written approval by the Declarant, or the Board of Directors of the Association, (after such approval rights have been assigned to the Association), (the Declarant reserves the right to assign all or any portion of its approval rights to the Association at any time), or by an "Architectural Committee" composed of three (3) or more representatives appointed by the Board.

Refusal or approval of Plans, location, exterior color or finish, or specifications may be based by Declarant, Board of Directors or Architectural Committee, as the case may be, upon any ground, including purely aesthetic considerations, which in the sole and uncontrolled discretion of the Declarant, Board of Directors or Architectural Committee, as the case may be, shall seem sufficient.

In the event that the Declarant, or the Board of Directors or Architectural Committee, as the case may be, fails to approve or disapprove the site or design of any proposed improvements within thirty (30) days after plans and specifications therefore have been submitted and received, approval of the submitted items will be deemed granted, and the requirements of this Article will be deemed to have been fully met, provided, however, that the plans and specifications required to be submitted shall not be

deemed to have been received by the Declarant, Association, or Architectural Committee, as the case may be, if they contain inaccurate or erroneous information or fail to present adequate information upon which the Declarant or the Board of Directors or Architectural Committee, as the case may be, can arrive at a decision.

The Declarant shall have the right, at its election, but shall not be required to, enter upon any of the Properties during site preparation or construction, erection or installation of improvements to inspect the work being undertaken, and to determine that such work is being performed in conformity with the approved plans and specifications and in a good and workmanlike manner, utilizing approved methods and good quality materials.

Section 2. No Waiver of Future Approvals. Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

Section 3. Limitation of Liability. Plans and specifications are not approved for engineering or structural design or quality of materials, and by approving such plans and specifications neither the Declarant, the Architectural Committee, the members thereof, nor the Association assumes liability or responsibility therefor, nor for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, the Architectural Committee, the Board, nor the officers, directors, members, employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any Owner of property affected by these restrictions by reason of mistake\_in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every person who submits plans or specifications and every Owner agrees that such person or Owner will not bring any action or suit against Declarant, the Association, the Architectural Committee, the Board, or the officers, directors, members, employees, and agents of any of them to recover any damages and hereby releases, remises, quitclaims, and covenants not to sue for all claims, demands, and causes of action arising out of or in connection with any judgment, negligence, or nonfeasance and hereby

waives the provisions of any law which provides that a general release does not extend to claims, demands, and causes of action not known at the time the release is given.

#### ARTICLE XIV

##### EXTERIOR MAINTENANCE

In addition to maintenance of the Common Area, the Association shall provide exterior maintenance upon each Attached Townhome which is subject to assessment hereunder, as follows: paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, mailboxes, fences installed by Declarant or the Association, exterior post lights (excluding electricity therefor), and other exterior improvements. Such exterior maintenance shall not include glass surfaces, screens, awnings, and if permitted, approved additions to dwellings made after completion of the initial dwelling (unless maintaining of such addition is affirmatively assumed by the Association) or the repair or reconstruction of any improvements on any lot, the cost of which repair or reconstruction would be covered by casualty insurance, whether or not a policy of casualty insurance is in effect. Further, the owner of any lot may at his election plant trees, shrubs, flowers and grass in his rear yard and may also maintain portions of all of his rear yard provided that such maintenance by the owner does not hinder the Association in performing its maintenance of the exterior of the house and the remaining yard spaces. No such maintenance by a lot owner shall reduce the assessment payable by him to the Association. If, in the opinion of the Association any such owner fails to maintain his rear yard in a neat and orderly manner, the Association may revoke the owner's maintenance rights for a period not to exceed one year. The Owner shall not plant any vegetation in the front yard except with the prior written approval of the Association.

(As a matter of information to future members of this Association, the developers wish to make it known that it is a part of the original plan of development to construct a variety of dwellings with a variety of exteriors for the good of the entire subdivision. Some dwellings will require far more maintenance than others because of the types of exterior exposures, Nevertheless, in order to avoid monotony and in order to achieve a harmony of design and textures, all of those connected with conception, design, construction and financing of this subdivision as originally planned, are in accord in their belief that all members of the Association

will be benefited by the variety of exteriors and, therefore, the Association should provide exterior maintenance and make a uniform rate of charge without regard to the actual cost of maintenance of each dwelling.)

In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, tenants, contract purchases, or guests, or invitees, the cost of such maintenance or repairs shall be added to and become a part of the assessment to which such lot is subject.

## ARTICLE XV

Failure by the Association or by any Owner to enforce any covenant or restriction hereby contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability of Provisions. If any paragraph, section, sentence, clause or phrase of this Declaration shall be or become illegal, null or void for any reason or shall be held by any court of competent jurisdiction to be illegal, null or void, the remaining paragraphs, sections, sentences, clauses and phrases of this Declaration shall continue in full force and effect and shall not be affected thereby. change in the covenants and restrictions. The covenants and restrictions of this Declaration may be amended at any time if ninety percent (90%) of the vote of each class of members at a duly called meeting of the Association at which a quorum is present approves the change; provided that prior to the sale of the first Lot or Living Unit, this Declaration may be amended by the Declarant without consent of the Members.

(c) No amendment which would change or delete any provision herein required by any governmental authority shall become effective until submitted to and approved by that authority; provided, however, if that authority fails to approve or disapprove such amendment within thirty (30) days after the same has been submitted to it, such approval shall not be required and this covenant shall be deemed to have been fully complied with.

(d) As long as there is a Class B membership, and if Declarant determines to qualify this Property for Federal Housing Administration or Veterans Administration

approval the following actions will require the prior written approval of the Federal Housing Administration or the Veterans Administration: Annexation of additional property, dedication of Community Common Property, and amendment of this Declaration.

Any action to terminate this Declaration or the legal status of the Association for reasons other than substantial destruction or condemnation of the Property, shall require the approval of Eligible Mortgage Holders representing at least sixty-seven percent (67%) of the holders of Eligible Mortgages.

The holder, insurer, or guarantor of a mortgage or deed of trust on any living unit in The Townes at Barrington is entitled to timely written notice of:

Section 6. Condemnation. If any part of the Community Common Property shall be taken (or conveyed in lieu of or under threat of condemnation) by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to written notice of such taking or conveyance prior to disbursement of any condemnation award or proceeds from such conveyance.
