June Meeting Minutes

On June 1 about 20 people met at TerMolen and Hart Sheet Metal and Ridin' High Accessories. The owner, Steve VanZytveld who is Ron's brother, gave us a tour of his shop and explained the many different items that they can fabricate out of sheet metal. They have done copper work on one of the church steeples downtown. They also are supplying metal work for the new DeVos Children's Hospital. They have also fabricated kitchen items for new homes and condos.

After the tour we went to Culver's for dessert and to hold the club meeting. The meeting was short but we did fit in the two raffles. Terri Miller won the 50/50 of \$15 and Dan Jensen won the attendance pot of \$54. That was a nice way to welcome Dan back after his shoulder surgery!

Ron read two thank you notes, one from the Phoenix Society for Burn Survivors for our donation in conjunction with the Burn Survivor Car Show at Fifth Third Park. and one from Ms. Wheelchair Michigan for our donation to that organization.

We will be taking next month off for the POCI Convention in West Virginia. In August we'll be going to Gilmore Car Museum, watch your newsletter for details. The big club money maker, the **Elhart Car Show** is **August 6**, be sure to come for a fun night!

Don't forget we will be meeting on Wednesday, August 4 for the Gilmore Cruise In.

CHIEF'S CHATTER

For our monthly meeting on June 1 we visited TerMolen and Hart Sheet Metal and Ridin' High Accessories. We had a chance to see the many different things that can be done with metal from office furniture to kitchen sinks and counter tops, to custom truck parts. After the meeting we went to Culver's on 54th St. and we were surprised to see Emily Blouw, Ms. Wheelchair Michigan. Our club had just donated \$200.00 to this wonderful organization and Culver's was donating a percentage of their sales that night to the Ms. Wheelchair organization.

Car clubs are a great way to meet new people. We had the opportunity to meet members of the Motor City Chapter on June 5th at Scott Tiemans shop in Portland. Scott gave us a tour of his shop and we were able to see some of the different projects that he is currently working on. The Motor City Chapter sprung for a lunch of pizza with cookies for dessert.

Don't forget there will not be a meeting in July so we can go to the POCI Convention in Charleston. The August meeting will be on WEDNESDAY, August 4. We will be Cruising on down to the Gilmore Museum for their weekly Cruise In. Watch the August newsletter for the time and meeting place. Don't forget about our club car show at Elhart in Holland on Friday, August 6 from 6-9 PM.

For all those going to the convention, we wish you safe travels and a great time.

See you in August, Ron
