Early Registration!

South Charleston Christian Academy is pleased to announce that we are opening early registration for the 2019-2020 school year! Please carefully read the following information, as there have been some changes from prior year registrations.

Firstly, the price for early registration has changed. Where before early registration was set at \$100 per student, the Academy feels that it would be best to offer a scaled registration fee schedule, much like our current tuition schedule. As such, early registration fees are as follows:

Early Registration, Non-Refundable (Before May 25th, 2019):

1 Student - \$100.00

2 Students - \$175.00

3 or More Students - \$200.00

Any applications received after the May 25th cut-off will revert to the normal registration fee of **\$165 per student.**

Secondly, for the 2019-2020 school year we will be interviewing every student and their families who desire to attend SCCA, no matter how many years they have attended prior. As such, every student will need to complete the full registration process. This begins by going to SCCA.biz and navigating to the "Forms" page. There, click on the top right link labeled "SCCA Enrollment Form". In addition, you will need to have your pastor visit our website and fill out the "Pastor Recommendation Form" on the same page (or he is welcome to send in a letter of recommendation).

Once the enrollment form has been completed you will be contacted to set up an interview with the principal. Once your interview has been completed, prospective students will be reviewed by a board consisting of the principal, pastor, and possibly members of the church, and either approved or denied admission. If approved, the registration fee listed above will be due in the office before seating will be reserved for your student.

SCCA bills on a 10-month schedule, with the first payment being due August 1st (consisting of the first tuition payment and payment in full for school books). If the first payment is not made, seating will not be guaranteed, books will not be ordered, and your registration fee will not be refunded.

Lastly, an updated Parent-Student Handbook has been prepared for the 2019-2020 school year. If you would like to have a copy to look over, it will be available at SCCA.biz or you are welcome to stop by the school office and pick up a copy.

If you have any questions, please feel free to contact the school office and schedule a meeting with Mr. Davis.
