# “A Dream Come True” Mazel Tov Heshvah Gladden

I've dreamt of this day so many times and thought I would have the perfect words to describe this feeling but the truth is, I don't. So many moments led me to this day, wins and losses. . It's never easy going after the things you deserve, but with God, an incredible support system, and dedication... anything is possible. After years of of no's, I've FINALLY received my YES! It's my pleasure to announce that I will be joining the National Football League, my dream company. That feels so good to finally say. I am beyond excited (as you can tell by the picture) about this new adventure and so proud of myself!

To see the seeds, I've planted along the way beginning to bloom makes it all worth it. I'd like to thank my parents and siblings, for letting me dream, freely and without limits! Especially, my dad and brother, who started my love for this sport and schooled me in and out on the game. To my friends, thank you for keeping it a secret and for being in my corner every step of the way. As well as the rest of my family who have supported and helped me grow
