VENTURE CAPITAL

BKMS Group promotes venture capital projects in the European Union and the Gulf Countries with exceptional investment potential and long term sustainability.

ABOUT BKMS

BKMS Group was set up in Cyprus in 2004 by two investment bankers with the vision of providing the best practices in cost cutting and investment opportunities to their clients.

Cyprus is currently the most advantageous corporate tax environment of the European Union and benefits from a modern banking sector.

We have already developed different activities around tax and investment advisory and also a new division around the cards business (banking cards, loyalty cards etc).
