**STORE AT ROOM TEMPERATURE.  
KEEP OUT OF REACH OF CHILDREN.**

**Recommended Use:** As a dietary supplement, take one softgel per day with a meal, or as directed by your health care practitioner.

Contains ubiquinol, the more readily absorbed and more biologically active form of CoQ10.

Max CoQ10 100 mg contains ubiquinol, the reduced, antioxidant form of CoQ10. Both ubiquinone and ubiquinol are critical to the cellular ATP (energy) production cycle. Without the presence of both forms, cellular energy cannot be generated or sustained. The ability to convert ubiquinone to ubiquinol may diminish with age in certain individuals.†
