

6. EASY ACCESS TO ESMONT FULFILLMENT FARMS

PROJECT DESCRIPTION: The plan is to work with the Virginia Wildlife Foundation to designate the 200 acres of Fulfillment Farms abutting the historic village of Esmont to a nature trail, making that land more accessible and family friendly as a recreational area for walkers, hikers, birders, and others.

BENEFIT TO COMMUNITY: This park will create much needed recreational space for the Village.

RELATIONSHIP TO OTHER PROJECTS: The connection to the Wildlife Refuge and the Esmont Trail will provide important recreational opportunities to outdoor enthusiasts.

ESTIMATED COST: Paths will be cleared by volunteers.

SUSTAINABILITY OF PROJECT: This property is owned and maintained by Virginia Wildlife Foundation. They will be assisted by volunteers.
