150TH ANNIVERSARY CELEBRATION

Plans are being made for our main celebration on Sept, 29, 2019, a Sunday. A special service of celebration will be held followed by a luncheon at the Barn at the Kolping Society. Some photos are coming in from parishioners of weddings, baptisms, or confirmations. Please send in any you might have of your family. Please bring them on Sunday and give them to Arlene Goodenough or Janet Croft. **THEY WILL BE RETURNED.** Just label them on the back.

Research continues on our history. At one time we owned a 22 acre farm. The Rev. Anneley T. Young, whose photo is on the table in the church, was our much loved Chaplain from 1927 to 1941. In 1942 young people made a huge Nativity Scene which was placed in front of the High School! Not something you could do today!

Hello from Sunset Nursery School!

We welcome March with open arms! It is typically the month where we learn (and pray) that it comes in like a lion and out like a lamb. After this exceptionally cold winter, we are hoping that it really does go out like a lamb because we can't wait to get back out onto the playground! Although we can't go outside right now, we are still working on our gross muscles inside. Go No Sen has been coming in for the 3 and 4-year-old classes and it has been awesome!! The children love it. They are learning some great skills and getting some exercise at the same time. We also welcome Ms. Mindy to our school for the 2-year-old classes. She is a musician and the children just love her music class! During March we are also preparing for Easter. So many wonderful things to talk about, Lent, Palm Sunday and the most important thing - *Jesus is alive!*

Family day was in February. It is always a fun day where one family member is invited to come in to school on a Saturday with their child to see a little version of everything they do. We have circle time, calendar time and arts & crafts. It is a great way to show our families a little glimpse of what we do at school.

Enrollment for next year is in full swing. At this point four out of the six classes are full. There are only a handful of spots left, so if you know of a family looking for a wonderful preschool, please have them call the school to come in for a visit. Thank you all for spreading the word about our program!

Have a wonderful and blessed Easter!

Melissa Wassil,

Director
