SNAPAK

Open it's a book, closed it's a box . . . this highly popular holder accommodates loose forms, sets or sales books. Simply place the forms in the swivel bar clip, insert the smooth writing plate under the top set and start writing. A hinged aluminum strap holds copies tightly in place and the entire holder folds into a compact protective box to keep forms safe while on the move.

SN8512 Silver finish, 8-1/2" x 12"

STYLE "A" HOLDER

The world's favorite . . . this versatile holder is efficient, easy to use for both left and right-handed people and will accommodate forms ruled either lengthwise or across the width.

The writing plate folds under desired number of copies to provide a hard, smooth writing surface and the storage compartment keeps completed forms dry and protected.

AH8512 Silver finish, 8-1/2" x 12"
AH8512B Black finish, 8-1/2" x 12"
AH8514 Silver finish, 8-1/2" x 14"

THE CRUISER MATE

Clipboard on a box-over another box. . . when you have to carry a lot of different kinds of forms, being organized is a necessity. A one-handed carryall the Cruiser-Mate is the answer. Offers two different storage compartments-both for 8-1/2" wide forms.

CM8512 Silver finish, 8-1/2" x 12"
CM8512B Black finish, 8-1/2" x 12"
CM8514 Silver finish, 8-1/2" x 14"

CRUISER MATE II

Same basic design as the original but with the popular low profile k-18 spring clip.

CM8512-II Silver finish, 8-1/2" x 12"

REDI-RITE

Clipboard on a Box . . . here's the answer when you have to carry a lot of forms, still need a good writing surface, and also need to be efficient.

- (1) A pen and pencil tray.
- (2) Plenty of storage space for forms.
- (3) The cover doubles as a smooth, hard writing surface and a durable, weatherproof protection for all you carry inside.

RR8512 Silver finish 8-1/2" x 12"
