## **Synopsis for NANOW**

“**NANOW**,” an acronym for **NATIVE AWARENESS NOW**, is a 30 minute talk show made for Television and The Web. **NANOW**’s format and subject matter deals mainly with issues facing Native Americans. Whether on the Reservations, in the big city, in mainstream business or in any other walk of modern life, the Native American of today faces unique issues and challenges. The talk show **NANOW** features guests and discussions that deal with many of these specific issues.

**NANOW** also features live show/audience venues such Native American Casinos, etc, and guests and stories that reflect the successes of various Native Americans in the modern world, as well as musical groups and artists that capture the life of the present day Native American.
