Thank you for touring our center! Please return the attached packet ASAP. Spots are filled on a first-come, first-serve basis. If private pay, include a deposit for your child's first week of tuition along with the packet. If Purchase of Care, provide a client authorization form from social services. Once you return this completed packet (including your child's most recent health appraisal or the date of their next scheduled appointment) along with your deposit or authorization, your child's start-date will be "locked in."

If you have any further questions, please feel free to reach out to us!!
