

The Missing Man Table

This table set for one is small, symbolizing the frailty of one prisoner alone against his oppressors.

Remember!

The single rose displayed in a vase reminds us of the families and loved ones of our comrades-in-arms who kept the faith awaiting their return.

Remember!

The vase is tied with a red ribbon, symbol of our continued determination to account for our missing.

Remember!

A slice of lemon is on the bread plate to remind us of their bitter fate.

Remember!

There is salt upon the bread plate symbolic of the families' tears as they wait.

Remember!

The glass is inverted, they cannot toast with us this night.

The chair—the chair is empty— they are not here.

Remember!

Our Mission

The major function of Rolling Thunder is to publicize the POW/MIA issue.

To educate the public that many American Prisoners of War were left behind after all previous wars and to help correct the past and to protect future veterans from being left behind should they become Prisoners of war Missing In Action. We are also committed to helping American veterans from all wars.

Who we are: We are teachers, secretaries, truck drivers, accountants, machine operators all with one thing in common- a desire to educate the public about POW-MIA issues and to support our country's Veterans, past, present and future.

What we do: We continue to fight for the timely release of all POW's and the continued investigation into the fate of all MIA's from all wars.

What you can do: Invite us to attend your event, attend one of our events or become a member.
