

PerfectChoice[®] Furniture

The perfect choice for lasting comfort and value.

why buy Perfect Choice® furniture?

LEAD TIME

Our lead time is the best in the business. Even during our busy season, our turn around times are the quickest you will experience.

QUALITY

We use only the best quality materials and ensure every product is tested using our strict quality control standards.

DURABILITY

AlloChrome marine coated stainless steel fasteners and Weather-all® poly lumber make our product the most durable outdoor furniture on the market.

SUSTAINABILITY

Not only is our Weather-all® poly lumber made from recycled materials, but we recycle all unused poly lumber materials for a truly sustainable product.

DESIGN

Our innovative designs such as the one-piece chair backs and seats are why our products are uniquely more durable and provide enhanced stability.

LIFETIME LIMITED WARRANTY

Perfect Choice® offers a Lifetime Limited Manufacturer's Warranty on all of our Weather-all® poly lumber products.**

CUSTOMER SERVICE

Email us, fax us or even contact us the old-fashioned way - on the phone - for unparalleled service.

**Lifetime means the normal useful life of the product. Our Perfect Choice furniture is guaranteed to not crack, split or fade under "normal" residential use for 20 years. A 5 year warranty will apply to our Perfect Choice furniture for commercial use to be free from manufacturing defects.

Weather-all®

beats any other poly lumber on the market

pvc-free

Weather-all® has no additives, no fiberglass and no lead. It is non-allergenic and completely safe.

anti-mildew

Unlike wood and plastic composites, Weather-all® will not mold or mildew.

easy care

Simply wash and let dry. Weather-all® is completely stain-resistant.

recyclable

Weather-all® is made from 95% recycled materials and unlike wood-plastic composite (WPC), Weather-all® is 100% recyclable.

anti-fade

Weather-all® colors resist fading by even the most extreme sun rays and harmful UV light.

stability

Heavy weight and durable, products made from Weather-all® are designed to withstand the elements and require no costly storage space.
