Roots Crew Application – Summer 2018

Overview of Roots Crew

Mountain Roots is currently accepting applications for middle school students interested in joining our Roots Crew. Roots Crew is a summer leadership development opportunity for rising 7th-9th graders in Brevard and Fletcher, NC. Our Roots Crew members are volunteers at Mountain Roots Day Camp, and serve as counselors-in-training as they assist with various camp activities.

Roots Crew members help day campers ages 4-9 with games, theme activities, preparing snack, spending time with kids that need a little extra attention, etc. Our Roots Crew members will gain experience in helping younger campers while simultaneously developing leadership and enjoying the various camp activities throughout the week(s). Roots Crew members may apply for 1-7 weeks, based on your summer schedule.

Experience

Do you have any experience working with younger kids? If so, share those experiences here.

What would you hope to gain from your experience as a Roots Crew member? (i.e. what would be your goals for this summer with Mountain Roots)?

Availability

Please check the weeks of Mountain Roots Day Camp that you are interested in assisting with. Brevard sessions of camp will be hosted at Brevard Academy, and Fletcher sessions will be hosted at FernLeaf Community Charter School, with forest field trips to nearby public lands. Discovery Day Camp will explore a new location in the community or public lands of Transylvania County each day.

Note: this is an application-based process and we cannot guarantee that all students will be accepted for all weeks. We will confirm with families on a rolling basis as applications are received and hope to have the full Roots Crew summer calendar established by May 31.
