## Heritage Prayer

Dear **1 God**, Creator of the most beautiful Universe  
Your most humble faithful custodian guardian (1<sup>st</sup> name)  
Is thankful for having a Heritage  
A Heritage that shows where we come from  
A Heritage that tells who we are  
A Heritage that can be passed on to the next generation  
For the Glory of **1 God** and the Good of Humankind

This prayer is used at home or at a Gathering.

## Week 1 Creation !

### Day 1: Beginning

In the beginning there was **1 God** and nothing: colorless, lifeless, motionless, soulless, soundless, timeless, without a cycle of beginning and end.

Physically within **1 God** are all the building blocks that exist to make up the Universe both positive and negative. Spiritually the Original Soul is **1 God** both good and bad.

**1 God** was bored. **1 God** exhaled, a mist created. This mist contained all the basic ingredients found in the physical universe, spreading into all directions into the nothing. The physical Universe was born. The motion created a whooshing noise; '**Motion**' and '**Sound**' were born.

**1 God** called this (work) Day 1 and **Time** was born!

---

### Day 2: Evolution

**1 God** clapped his hands; it sounded like a bang. This created heat and the fusion of gases within the mist, positive and negative clashed, sparks (**Lightning**) followed by explosions (**Thunder**) resulted. As the gases mixed, absorbed and destroyed, the 'Cycle of beginning, end recycling' (**Cber**) was born. This spectacle was also the birth of '**Color**'

Newly created mixtures were slightly imperfect, unequal, different, the way **1 God** liked it. Imperfection started 'Evolution'. Evolution being imperfect made mistakes but also resulted in uniqueness and interaction. Nothing is perfect or without mistakes. One person's perfect is another person's imperfect. Evolution is **1 God's** favorite creation.

**1 God** called this (work) Day 2 and **Evolution** was born!

---

## Day 3: Solar systems

**1 God** played with the mixtures, analyzed them, liquefied some of the gases creating hot and cold concoctions this also created some cases of solidification. **1 God** formed balls pulsating, bright, fiery '**Sun Stars**' that spewed out liquid into the Universe creating '**Planets**'. This creation is known as a '**Solar system**'. The Physical Universe contains many Solar-systems which live the "Cycle of beginning, end, recycling".

**1 God** called this (work) Day 3 and **Sun Stars** are born!

---

## Day 4: Soul link between physical and spiritual universe

**1 God** then gave each combination of building blocks (**physical universe**) part of his, her spiritual being, part of the 'Original Soul'. Each 'Soul' receives its part at conception of the new creation of the combination of building blocks.

When a combination of building blocks ceases to exist. A Soul returns (**Afterlife**) to **1 God** to report on experiences it had. Then **1 God** send's this Soul into another combination of building blocks (**Reincarnation**). When a Soul has reached a certain level of experiences it stays with **1 God** becoming Eternal in Heaven as a Custodian of the Spiritual Universe (**Angel**).

**1 God** called this (work) Day 4 and **Souls** are born!

---

## Day 5: Planet Earth our home

**1 God** toyed with Evolution creating special conditions on some Planets. These planets had been pointed into a certain direction, created interdependent surroundings and life forms.

**Earth** is such a Planet!

Earth is the 3rd planet from the Sun in the Destiny Solar system. The Earth orbits the Sun and 1 Moon orbits Earth. A lot of human space junk orbits Earth. The Planet is home to millions of species including humans. Its interdependent

surroundings (Environment) and life forms (plants, living creatures) make this '**our Home**'.

**1 God** called this (work) Day 5 and **Lives** are born!

**Day 6: 3 + 1 Human races call Planet Earth our home**

**1 God** had Angels to help in the spiritual Universe. Now life forms were needed to help in the physical Universe. **1 God** found that Planet Earth had advanced enough to introduce Humankind.

**1 God** created 3 races and **Evolution** cheekily evolved 1. **1 God** is happy with 3+1 Races and sees them as equals but different. **1 God** wants racial integrity, mixed breeds are an insult and do not fit into human Destiny. Racial integrity is not racism nor bigotry it does not mean that 1 Race is superior. Disobeying racial integrity creates half breed outcasts unacceptable to anyone.

Humans, black skinned; wiry black hair, brown eyed more intelligent than any other creature on the planet. **1 God** say's to them be proud to be Black because I made you so. Call yourself 'African' wherever you may live. Should you live outside Africa add the name of the Tribe you stay

with (You live with the American Tribe) 'African american' Being proud entails mating, multiplying within your Race: Racial integrity.

As the black people multiplied they started to wander. They could be found in Africa, Persindia, Oceania and Mongolia. Later they were introduced by European Pirates to Amazonia and America as Slaves. Europa as servants.

However a colder climate was not beneficial to black people. Also evolution was very slow. **1 God** created 2 new races.

In Mongolia **1 God** altered human skin color giving it a pale yellow tinge, the hair stayed black but became straight. The brown eyes became slanted. **1 God** say's to them be proud to be slant eyed because I made you so. Call yourself Mongolian wherever you may live. Should you live outside Mongolia

add the name of the Tribe you stay with. (You live with the European Tribe) 'Mongolian european'. Being proud entails mating, multiplying within your Race: Racial integrity. The slanted eye humans multiplied and wandered into America, Amazonia, Oceania, Persindia and Europa.

In Europa **1 God** created pale and ruddy skinned humans with either blue, blue gray, green eyes with platinum blonde or red straight or wavy hair. **1 God** say's to them be proud to be pale because I made you so. Call yourself 'European' wherever you may live. Should you live outside Europa add

the name of the Tribe you stay with (You live with the Amazonian Tribe) European amazonian'. Being proud entails mating, multiplying within your Race: Racial integrity. These people preferred to travel by water (inland, seas) to other Provinces.

However 2 evolution hiccup's occurred. Europeans pale skin became honey colored skin, dark brown straight hair, brown eyes (a european variation). These people wandered into west Persindia, northern Africa, southern Europa, are now present in all Provinces.

In Europa another lot of humans evolved back to black skin but had black straight hair, dark eyes. Evolved **1 God** say's to them be proud to

be Black because Evolution made you so. Call yourself evolved wherever you may live. Should you live outside Persindia add the name of the Tribe you stay with. (You live with the Oceanian Tribe) Evolved Oceanian. Being proud entails mating, multiplying within your Race: Racial integrity.

These people wandered into Persindia. They are now present in all Provinces.

**Note! Humans** like everything else in the Universe are imperfect, different, unique just the way **1 God** likes it. **1 God** gave each race (3+1) unique traits: black, pale and slant eyes. **1 God** accepted Evolution blacks as 4<sup>th</sup> race. **1 GOD** wants Racial integrity kept. It means no interracial mating or multiplying. Mixed breeds destroy **1 God's** design.

**1 God** sees 3+1 Races as equals but different.

3+1 Races make up **7 Tribes** that live in many **Shires** (Home). Speaking 7 Languages, many Dialects. Independently administered by **7 Provinces**. **1 God** likes language diversity. Not a global language (remember, Babel tower and N.Y. twin towers).

**1 God** was pleased with what had been achieved in the past 5 days and today. **1 God** reflected on the past work week. Than started planning for the next work week. We should emulate **1 God's** work week ethic!

**1 God** called this (work) Day 6 and **Work** week ethic are born!

## Day 7: Rest day with Fun-Day themes

**1 God** had a rest... Meditating, praying seeking inner harmony and happiness for the Eternal Soul. Angels made music, sang, danced and laughter was heard everywhere. **1 God** was in the middle of all this merriment enjoying all of it.

**1 God** called this (rest) Day 7 Fun Day for custodian guardian!

The 7 Day Creation forms the basis of the custodian guardian calendar. **Note!** The length of **1 God's** day is different from Earth's. The C.G. calendar has many themes for '**Fun-Day**': Celebrations, Memorials and Shames.

The C.G. Calendar is part of New Age time management: C.G Clock, Time triangle, Night curfew, Daily routine, Daily prayers, C.G. Calendar, Fun Day themes, C. G Planner, C.G. Chronicle, Knowledge continuity, Prophecy!

## Must do

**1 God** set the example work 5 days on day 6 evaluate your achievement, complete any unfinished work and plan next weeks work. On day 7 rest enjoy life have a **Fun-Day**, Celebrate... visit a Gathering!

Believe **1 God** is: the Creator and Eternal Soul. Creator of the physical and spiritual Universes. Believe **1 God** is the Eternal Soul that everything living has a Soul! Creator of Evolution and Humankind.

Maintain racial integrity no interracial mating or multiplying! Live by cycle of beginning, end, recycling (**Cber**). Don't interfere with Evolution no genetic modification, cloning! **1 God's** design is sacred! Meddling insults **1 God** it interferes with Evolution. Changing **1 God's** design is a community crime!

Believe in Afterlife, Reincarnation, Immortality and Angels.

## Warning!

Planet Earth and Humankind are under 'Attack'! Violence, Pollution and Wealth apartheid are tearing us apart! Punish Violence, Stop Polluting, end Wealth apartheid. **1 God** is watching.

**1 God  
is watching**

## Ancient – Times 1<sup>st</sup> Civilizations ! to -2,100\* years

Humankind learned to walk upright, gather berries, nuts and grub up roots. Humans grouped to increase survival resulting in the need for leadership. The strongest **He** became Tyrant and main breeder.

Humankind advanced to hunter, became toolmaker, using tools to hunt. Sadly tools were not only used for hunting but also for **killing** other humans (selfish plundering of other humans who resisted and were raped and killed).

Humankind discovered that hunting in groups (**teamwork**) brought greater success than any single hunter. This led to planning, organizing hunting trips and raids on other groups.

Humankind developed vocal noises, facial gestures and body language to communicate. Leading to speech and language. These skills led to learning and teaching. Experienced members of the group passed on gained knowledge to learning group members. **Subjects covered:** collecting food, hunting, skinning, sewing, tool making, tool usage, gestures, grunts and speech.

As Humans moved into colder climate they hunted furred animals, skinned them and covered their body (**start of Fashion**). Bones were turned into tools. Sewing was developed and used on skins, furs Caves, huts became shelter. Fire making developed leading to cooking. Artistic skills like painting, clay modeling, carving appeared.

## Humans developed religious beliefs.

Evil Pagan rituals developed. Bribing God's through bloody sacrifices. **Note: 1 God** doesn't want Sacrifices (bloody or otherwise). Custodian Guardian oppose all Sacrifices. **1 God** cannot be bribed or bought.

Other humans became aware that seeds from grass dropped onto soil and trampled led to crops. This was a 1<sup>st</sup> step of farming. Farming meant people did not have to wander. Permanent shelter became possible. Some humans became settlers.

Humans started to specialize leading to barter (meat, skins, tools, burnt clay..). Hunters would barter with settlers. Nomads passing settlements would barter.

Nomads with Evil (Tyrant) leaders would plunder, destroy settlements, rape, kill settlers. The building, destruction and rebuilding cycle was established.

Both the spear, bow and arrow increased hunting capabilities as well as slaughter of humans. Settlers used the new hunting tools as weapons to defend themselves.

Hunters became aware of the benefits of controlling herds and following them. Hunting became secondary. A nomadic lifestyle developed. The 1<sup>st</sup> step of domestication of animals.

Settlers started to domesticate smaller animals. Settlers developed closer relationships with animals. Pets developed, by animals accepting humans as their master, a human need for companionship. Domestication of animals improved the supply of food, skins, bones for tools, weapons and barter.

Civilization needed better communication than vocal hearsay. Drawing advanced to writing skills. When numbers were added human development started to accelerate.

The wheel made humans more mobile. They could travel faster and longer distances carrying more goods. What the wheel did on land the sail achieved on water. Raiders (Nomad, Settler) used both for their criminal (raids) activities.

Leaders of Nomad Raiders had 1<sup>st</sup> choice of plunder making them more wealthy than other Raiders. Farming communities also picked usually the most successful farmer or barterer as Leader. Both type of Leaders developed Estate planning. A desire to pass on power and wealth to their children. Hereditary Tyrannies\* became common. Leaders gave themselves fanciful (royal) titles, 'Monarchs'\*. Some power crazed leaders claimed to be a God.

\*Custodian Guardians oppose Hereditary Tyrannies Monarchs as Evil.

Settler Monarch's build fortifications and established full time armed men (Guards...). Religious leaders build places of worship (Temple...). Graveyards and Shrines (elitist, pompous..) for the transition to the

Afterlife became common.

Trade routes evolved. Greedy Evil Monarchs followed these with their armies and established Tyrannical Empires (**Civilizations**). These Civilizations were ruled by violence and ended violent.

Everything has a beginning and end so do Civilizations. At the beginning there is struggle and strong religious Belief. Success replaces struggle. **Peace**: increases wealth, population, reduces work ethic, increases leisuretime and boredom. Boredom leads to immorality. This decay increases addiction. It replaces Religion with irresponsibility (just having fun), silly freedoms, outrages philosophies. When the struggle stops stagnation sets in leading to decay and the end.

Humankind developed **1 God** beliefs:

Ancient Times gave us 3 'True' messenger (**Akhenaten, Confucius, Invoker**). 2 'False' messenger (**Moses, Buddha**) and an Evil, Anti God cult: 'Bad Seed' (**Israelites**), which is operating now.

**Akhenaten** (Amanhotep IV) African Reformer

Akhenaten promoted **1 God** both masculine (**He**) and feminine (**She**) simultaneously. That all creation came from **1 God** and was within the Creator! That no image of **1 God** exists! That sunlight was the main reason for there being life on Earth!

Akhenaten promoted family and family sharing as path to lasting 'Happiness'. Promoted Harmony between Humankind and Habitat!

Promoted diplomacy over war for solving border disputes. Sped up construction by using smaller building blocks.

Akhenaten arrogantly claimed to be the 'only Son'\* of **1 God** (false). He failed to end 'Paganism' its rituals, symbols and recycle their places of worship. Pagans' tried to erase his existence.

\*Jesus (false messiah) used the same arrogant words (plagiarized).

## Invoker (Zoroaster) of a Good Mind and Actions

In Ancient time in Persindia **1 God** found a man suitable to become a messenger. Invoker of a Good Mind and Good Actions (Zoroaster). Like Akhenaten he saw the importance of the Sun for life on Earth!

The 'Invoker' was very wrong, promising a Super human (messiah\*) would come. This Super human would make humankind happy and solve all problems. Many cults picked up this wrong message and promised a messiah.

\* **Note!** No Super human (messiah) is coming to make humankind happy and solve all problems. **1 God** wants humankind to prove that they have developed sufficiently. To handle happiness and problem solving. **1 God** will help humankind in situations that are beyond it's capabilities.

The 'Invoker' has established some fundamental truths:

**1 God** is the creator of the physical and the spiritual universes.

**1 God** is to be worshiped as Supreme.

Worshiping can be done both at home and in the community.

Everyone should work actively towards improving their community.

Oppose pollution of water, land and atmosphere.

Oppose corruption and injustice.

Support religious morality and social justice.

**Note!** When Persians embraced the teachings of the Invoker they flourished establishing the greatest Empire of their time. After discarding the Invoker teachings. Persia lost their prosperity, influence.

Due to evolutionary change other messages from that time are not relevant anymore. For supporters of the 'Invoker'(Zoroastrian, Parsi) it is time to change to **1 God's** latest message: The '**Law Giver Manifest**'.

Custodian Guardian offer the olive branch of non violence, harmony, friendship to the followers of the 'Invoker of a Good Mind and Good Actions' to join, **1 God 1 Faith 1 Church** Universe Custodian Guardians in proclaiming **1 God's** latest message the '**Law Giver Manifest**'!

## **Confucius** wise man of the east

In ancient time Mongolia(Province)  
**1 God** found a man suitable to  
become mentor to Humankind:

**Confucius !**

### Confucian words of Wisdom !

Do not do to others what you do not want done to yourself !

Before you embark on a journey of revenge, dig 2 graves !

Everything has its beauty but not everyone sees it !

Hold faithfulness and sincerity as 1<sup>st</sup> principles !

When anger rises, think of the consequences !

The firm, the enduring, the simple and modest are near to virtue !

To see what is right and not to do it, is want of courage or of principle !

I hear and I forget. I see I remember. I do I understand.

Life is really simple, but if we insist on making it complicated !

Real knowledge is to know the extent of one's ignorance.

Faced with what is right, to leave it undone shows a lack of courage.

It does not matter how slowly you go as long as you do not stop.

Virtue is not left to stand alone. He who practices it will have neighbors.

He who speaks without modesty will find it difficult to make words good

Our greatest glory is not in never falling, but in getting up every time we do !

The people may be made to follow a path of action, but they may not be made to understand it !

The scholar who cherishes the love of comfort is not fit to be deemed a scholar !

The more man meditates upon good thoughts, the better will be his world and the world at large !

In a country well governed, poverty is something to be ashamed of. In a country badly governed, wealth is something to be ashamed of.

Wisdom, compassion and courage are the 3 universally recognized moral qualities of men !

For supporters of 'Confucius' it is time to change to **1 God's** latest message: The '**Law Giver Manifest**'.

Custodian Guardian offer the olive branch of non violence, harmony, friendship to followers of 'Confucius' to join, **1 God 1 Faith 1 Church** Universe Custodian Guardians in proclaiming **1 God** latest message '**Law Giver Manifest**'!

## Hinduism

In Ancient time on the Indian Peninsula (east of the Indus River system, south of the Himalayan Mountain Range) a people developed traditional religious philosophies. They were invaded. To distinguish themselves from the invader. The locals called themselves Hindu! English invader, occupier, oppressor and exploiters called the local religious writings: **Hinduism** !

There were different people writing numerous holy books. Creating a family of religious philosophies rather than a single religion. Hindu text (Vedas) brings 'Knowledge'. Many scriptures discuss 'Code of conduct', 'Law' and 'Duty'. This collection embodies, 'Hinduism'! 'Hinduism' is a way of life.

Hindus believe in a cycle of birth, death and rebirth governed by Karma. A soul passes through successive lives. Its next incarnation is always dependent on how the previous life was lived.

Many Hindus crave for a Supreme Being (**1 God**). Hindu scriptures are dated. It is time for Hindu's to embrace **1 God's** latest message: The '**Law Giver Manifest**'.

Custodian Guardian offer the olive branch of non violence, harmony, friendship to followers of 'Hinduism' to join, **1 God 1 Faith 1 Church** Universe Custodian Guardians in proclaiming **1 God** latest message '**Law Giver Manifest**'!

**Jainism** an ancient religion from India teaches that the way to liberation and bliss. Is to live a life of harmlessness and renunciation. The aim of **Jain** life is to achieve liberation of the soul.

Custodian Guardian offer the olive branch of non violence, harmony, friendship to followers of 'Jainism' to join, **1 God 1 Faith 1 Church** Universe Custodian Guardians in proclaiming **1 God** latest message '**Law Giver Manifest**'!

**Sikhs** think religion should be practiced. By living in the world and coping with life's everyday problems.

Custodian Guardian offer the olive branch of non violence, harmony, friendship to followers of 'Sikhism' to join, **1 God 1 Faith 1 Church** Universe Custodian Guardians in proclaiming **1 God** latest message '**Law Giver Manifest**'!

## **Buddha** (Siddhartha Gautama)

Buddhism is not a Religion. It is a collection of non-sensical hallucinations and some visions based on hearsay. **It has no spiritual connection with 1 God !**

Buddhism, based on sayings of Siddhartha Gautama. He came from a well off family. Who lived in the Himalayas. Siddhartha lived a sheltered spoiled life. Siddhartha left his sheltered life. **He was seeking enlightenment by finding 1 God ! He never found 1 God.**

Siddhartha tried fasting. His dying brain gave him hallucinations. He tried herbal concoctions, fungi. His brain gave him hallucinations. Meditation was next. His brain gave him some visions. **He didn't find 1 God!**

Siddhartha held public meetings, talking about his life experiences, what He learned. His speeches were retold by admirers for a long time before being written down. **Being hearsay Siddhartha's (now called Buddha) original words and meaning are lost.**

Because his insights are based on a tortured brain and he never found **1 God**. Buddhism is not a Religion and useless for achieving Humankind's Destiny. **Buddhist should seek religion!**

Custodian Guardian offer the olive branch of non violence, harmony, friendship to followers of 'Buddha' to join, **1 God 1 Faith 1 Church** Universe Custodian Guardians in proclaiming **1 God** latest message '**Law Giver Manifest**'!

## **Bad Seed Cult** (Israeli)

This Cult claims to be 4000 years old. They call themselves Israeli. **Their**

religious writings are historic fantasy based on hearsay, fables..

They inbreed their wickedness. **1 God** is angered with their violent behavior and their parasitic greed. They claim to have been promised land.

They got their promised land. Now **1 God** wants the Israeli to live there and nowhere else. Every human has a moral and civil duty to help them to move or be transported to Israel.

Don't anger **1 God** send Israeli without delay to the '**Promised Land**'. **1 God** is watching.

Custodian Guardian offer the olive branch of non violence, harmony, friendship to followers of 'Judaism' to join, **1 God 1 Faith 1 Church** Universe Custodian Guardians in proclaiming **1 God** latest message '**Law Giver Manifest!**'

**Note!** Israeli clergy (**Rabbi**) are not welcome.

## **Distant – Past** Silk road ! -2,100 to -1400 years

This was China's Golden Age. They invented a standard paper making process. Converted iron ore to pig iron, cast iron, wrought iron, steel. The improved smelting techniques in bronze, iron led to an advanced range of agricultural tools, carpenter tools, culinary tools, domestic tools and weapons. The water wheel was used. The Silk Road was established. This trade route from China to Europe was a great source of wealth.

The Distant-Past sees the fusion of Greek and Roman culture. The beginning of the Roman Empire. The Roman were the greatest plagiarizers' in human history. When they came across a good idea, application, system

they copied (**absorbed**) it. Then they tried to make it more successful. They did this with administration, architecture, education, laws, military, religion and science.

Roman turned the Mediterranean Sea into a Roman back-water. The slaves produced the wealth. The military secured and expanded the Empire. Money lending and litigation became major routes to enrichment, influence in the Empire. The undermining of Roman authority by Christian Zealots and Germanic hordes force a splitting of the Roman Empire!

### Group of 13 (1<sup>st</sup> Christians)

The '**Group of 13**' consisted of 1 religious Reformer (**Jesus, Son of a Carpenter**), 12 picked-up Israeli and non Israeli followers (**Disciples**).

**Background, location:** Jesus was born and educated an Israeli who lived in Palestine a Territory occupied by Rome. The Israeli were the major ethnic group in Palestine. To keep revolts against Rome at a minimum, Rome allowed the Israeli to have a Monarch. **Executive Judicial power was with the Occupiers.**

**Background, misconception 1:** Jesus' parents Joseph and Mary traveled through Palestine not because of a Roman census but were on the run from debt collectors. Joseph had borrowed money from a money lender (**Rabbis affiliated loan shark**) for materials for work. His Client a Roman citizen left abruptly without paying. A writer wanted to give a reason for the travel but not the real reason picked an event (**Roman census**) that sounded plausible (**literary freedom**). Other writers just copied this fable. (Note the Catholics discarded and altered parts of the bible making it fake false fable)

**Background, misconception 2:** Destitute Joseph and Mary were on the run, Joseph could not have children, being mutilated when circumcised. Mary became pregnant, to cover the Shame of Rape. **1 God was blamed (miraculous virginal conception).**

**Background, misconception 3:** Far East Astronomers saw a Super Nova believed it to be a sign that an important person was born. Writers wrote 3 Kings saw a bright Star and came to see the birth of a King.

**Background, Jesus:** Born (birth date unknown) in Palestine Son of a Carpenter, learned his fathers trade then joined an all He cult near the Dead Sea to gain moral education. The Cult taught Jesus 'Forgiveness' and Sharing' but also exposed him to homosexuality. As Senior cult members forced ever younger cult members into participating in homosexual practices, then praying for forgiveness'. Jesus left, to become a traveling preacher.

**Note!** Jesus like every heterosexual (normal) has an in built revulsion and disgust to homosexuals (sexual disability). Jesus embraced forgiveness but in his heart he could not forgive homosexuals.

Jesus was taught by the cult to orate (public speaking) but not to write. Anything Jesus said is lost. Writings claiming to know what Jesus said are as reliable as the 'Grimm Brothers Fairy Tales' based on hearsay, writers interpretation and imagination. We don't really know what Jesus said or meant. All monks, nuns, clergy and others are wasting their time and lives studying these historic fantasies.

### Jesus, failed Israeli religious Reformer

Jesus was a charismatic, handsome, orator. The cult had taught him oral skills but not writing. He preached forgiveness and sharing.

His travels through Palestine made him aware of great suffering and misery of people brought on by the cruel, corrupt, greedy Rabbi and Monarchist's. He saw how credit destroyed families (reminding him of his parents)

Jesus introduced satire as social criticism (of Rabbis, Royalist) in his speeches. The Disciples backed him up, by addressing Jesus as King, Lord, Messiah... The crowds loved it, Jesus became a Celebrity.

Monarchists' did not like Jesus the celebrity. They feared the anarchistic parts of his speeches. Rabbis saw him as a disruptive fake insulting 1 God. Monarchists and Rabbis hatched a plan to use Roman Judicial power to kill Jesus and blame Rome.

1 of the Disciples, confessed their love and affection to Jesus. Jesus felt and showed revulsion (**forgiveness was not in his heart**). The Disciple was shocked, hurt, dismayed, vengeance entered his mind.

The Disciple went to a Tavern. Bared to other alcoholics his pain and need for vengeance. A Monarchist offered help with vengeance. The Disciple disclosed the whereabouts of Jesus. The Monarchist threw some coins on the table. The Disciple ordered more alcohol, sharing with his new found alcoholic friends.

Jesus was tortured and found guilty by the Israeli. The Roman Governor could not believe that the crowd (**incited by Rabbis and monarchists**) wanted the same punishment for preaching as for killing. He tested the crowd by promising to pardon 1. The Israeli chose a killer. The Roman Governor was disgusted. Jesus was nailed to a wooden cross.

The Dead Sea cult had heard of Jesus' predicament, came, bribed a guard, replaced Jesus with a dead man. Jesus wanted to say goodbye to the Disciples. His resurrection was staged to create mystery. Jesus went back to the Dead Sea!

Jesus wanted to reform the Israelite. His Disciples went to the than Center of the Universe: Rome! They went to reform the Roman. The beginning of Christianity (**Rogue Israelites**).

**1 God** let Jesus suffer because he taught forgiveness. Forgiveness is doing Satan work. Forgiveness is protecting Evil from justice. It encourages re offending. **1 God** holds accountable and believes in justice. Jesus is not in heaven he is continuous reincarnating!

### **Christianity** (False Messiah Cult seeking world domination)

Jesus gone, 2 of his Disciples moved to Rome, establishing Christianity. Followed the Roman example of plagiarizing. Absorbing other religious pagan rituals. They became the Roman Empires main religion. The Roman Empire adoption of Christianity was the beginning of its end.

Christianity has been, is more criminal, corrupt, deceitful, immoral, violent than any other Religious grouping. Christianity has mutated into many and diverse Cults. The 2 most Evil being, Roman Catholics, Church of England (Anglican, Baptist, Evangelical, Pentecostal)!

## 1 God is upset !!!

**Jesus opposed:** Capitalism (Parasitic Predatory Profiteering), Globalization (Jesus opposed his disciples going to Rome), Killing, Monarchy (Hereditary tyranny), Wealth-Apartheid (private ownership). Any Christian that participates and, or supports, Capitalism, Wealth apartheid, Monarchy, Globalization, killing, is sinning being an Anti Christ, Anti 1 God. Jesus may forgive these Christians. 1 God doesn't forgive but holds accountable with consequences. Christianity is failing Jesus. It is failing Humankind. It is failing 1 God! It ends.

Christianity is failing 1 God! 1 God wants Christians to embrace the latest message, the 'Law Giver Manifest', become a Custodian Guardian. Bringing an End to 1000's of years Evil!

## Be Good hold Evil accountable!

Custodian Guardian offer the olive branch of non violence, harmony, friendship to followers of 'Christianity' to join, 1 God 1 Faith 1 Church Universe Custodian Guardians in proclaiming 1 God latest message 'Law Giver Manifest'!

**Note!** Christian clergy (Priest to Pope) are not welcome.

**Medium – Past** -1400 to -700 years

**Near – Past** Christian Brothers -700 years to -70 years

**Shun Shame  
Christian  
Brothers**

Hold them accountable

## Evil at it's most depraved ! Unforgettable, unforgivable Evil !

Congregation of Christian Brothers are an Order within the Catholic Pagan Cult originating in Ireland Europa Province. Their original purpose

was to educate youth. They developed 'ICTtm'(Irish Child terrorizing teaching method) which spread like cancer around the world.

Endorsed by the Evil Vatican it became modus operandi for all Catholic education. Their 1<sup>st</sup> education facility opened in Waterford Ireland and their reign of child terrorism began. Encouraged and protected by Bishops, Archbishops, Cardinals and 'Popes'.

Christian Brothers believe in Satan and Hell. They couldn't wait to go there. They created Hell on Earth for the children of our Planet. We pray to **1 God** that they are held accountable in life and Afterlife. Christian Brothers and Clergy (**Priests to Popes**), Catholic: Parents, Police, Judiciary, Politicians, other,... who protected practitioners of the 'Irish Child terrorizing teaching-method' relive the misery and suffering of the children now and for all time. Join our prayer.

**1 God is waiting to hear from you !**

**'Irish Child terrorizing teaching method'**

Homosexual Rape, oral sex, masturbation, masturbating animals, testicle fondling, beatings, flogging, humiliating, food deprivation, hard labor, hypothermia,... Every day, every night, every week, every month every year... **Hell on Earth !** Hold these immoral filthy, depraved, pervert clergy, monks, teachers accountable, **MS R7**

**'Christian Brothers Circle of Enlightenment'**

Christian Brothers form a circle in the middle a young boy with no underpants. The boy was homosexuality raped until he bleeds from the anus. Christian Brothers chastise the boy for making them do this. They tell the boy they are like this because God made them like this. If the boy talks back he is beaten. The Christian Brothers are jovial and pleased.

**'Christian Brothers Guilt'**

Christian Brothers not only sexually and physical assaulted children around the world. They lied, blaming their victims, claiming victims where bad. All Christian Brothers forgave each other, protected each other, perjured themselves to Police and Judiciary.

Christian Brothers Sexual Predators moved around looking for new hunting grounds to terrorize Children. Being Catholics they claimed

(insulting **1 God**) infallibility. They received protection from Catholic clergy (Priest to Pope) who instructed Police, Judiciary, politicians who are Catholics to ignore victims.

Catholic clergy, Catholic Police Officers', Catholic Judiciary and Catholic Politicians operated as a cartel of Evil. Protecting Child abuser and victimize Victims. The Catholic Church the worlds largest Child abuse organization. The largest Evil Anti **1 God** organization.

### 'Christian Brothers Accountability'

Never in human history has there been such continuous predatory evil sexual assault on children been committed worldwide. Every parent on the planet has a moral duty to demand from their government, to pursue every Christian Brother, Catholic that protected them, prosecute **MS R7**

Everything the Christian Brothers own is confiscated (including personal items) without compensation. Every building used by Christian Brothers is a place of Evil. These places are demolished, recycled, rebuilt as Rehabilitation Compounds. Any memory of Christian Brothers is erased.

### 'Irish Shame'

Irish Parents, Irish Community, Irish Police, Irish Judiciary, Irish Politicians have all failed Irish children and children around the world. Let Irish know (non violent) how disappointed you are at their lack of compassion, justice, conscience. Irish because of their immoral, irresponsible, criminal behavior are not acceptable to be employed anywhere in the world as police, judiciary, in education or elected to any political office.

### 'Catholic Shame'

Catholics embraced the 'Irish Child terrorizing teaching method' using it in Catholic Education endorsed and promoted by the Vatican. Catholics then conspired, to hide and help Catholic Child Abusers to escape. Perjured, bullied, destroyed evidence, threatened victims all this to protect Catholic Child Abusers.

Catholic Police, Judiciary and Politicians participated in this criminal behavior by not prosecuting, covering up, destroying evidence... This

behavior makes the Catholic Church the largest criminal organization.  
**End this Evil, Shun Shame Prosecute, MS R7**

Catholics allowing their Church to create, operate the largest Child abuse Organization in history makes Catholics the greatest threat to the Children of the World. Shame on Catholics. **Making Catholics unfit parents!**

Government that allows Catholic education. Currently Catholic education asks their abusing educators to resign. They give them a good reference and send them to Public education in another location. Government that takes resources and funds from public schools to give to Catholic education fails in their duty of care to the children they are supposed to protect. **Government that fails children is unacceptable, is replaced, prosecuted, MS R7**

Catholic Parents, Community, Police, Judiciary, Politicians have all failed Catholic Children. Let Catholic know (**non violent**) at how disappointed you are at their lack of morality, compassion.. Catholics because of their irresponsible immoral criminal behavior are not acceptable to be employed anywhere in the world as police, judiciary, in education or elected to any political office.

Children are our future  
Children are our immortality  
Children deserve to be  
cared for, protected and loved!

## Peace Prize (Nobel)

**2009 Nobel Peace Prize:**  
**Anti Peace Anti-1 God Criminal !**  
[Barack H.Obama](#)

According to 'Nobel's (a Parasitic, Predatory, Profiteer) Will', the Peace Prize shall be awarded to the person who ... shall have done the most or the best work for fraternity between nations, for the abolition or reduction of standing armies and for the holding and promotion of peace congress. The will specified that the prize be awarded by a committee of 5 people chosen by the Norwegian Parliament.

The Chairman of the Norwegian Nobel Committee presents the Nobel Peace Prize in the presence of the King of Norway (Hereditary Tyrant) on 10 December (Pagan Calendar) each year. The Peace Prize laureate receives a diploma, a medal and a document confirming the prize amount. The Peace Prize Ceremony is held at the Oslo City Hall. The Nobel Peace Prize 2009 was awarded to Barack H. Obama "for his extraordina

ry efforts to strengthen international diplomacy and cooperation between peoples".

Obama (Assassin, invader, occupier warlord, worlds leading terrorist) the most active terrorist sends his 'CIA Drones' to terrorize, hurt and kill civilians (children, mothers, fathers and elderly) in 'Afghanistan,

Pakistan, Somalia, Iraq, Libya, Yemen.. He send Ethiopian and Kenyan troops to invade Somalia. The CIA is terrorizing the civilians and inciting unrest. Started Syrian Civil war trying to overthrow elected Government,...**Note!** Using Drones is an act of war.

Obama supports Israel's war crimes, assassinations, genocide of Palestinians. He supports Saudi Arabian assassinations, war crimes, genocide of Yemeni.. The CIA is terrorizing civilians and inciting unrest around the world.. Obama calls his US Special Forces Assassins "Heroes". Assassins are psychotic cowardly Killers (shooting unarmed women..) that need prosecuting as does 'Obama'.

**Universe Custodian Guardians** find Obama an Assassin unfit to receive a piece prize. UCG contacted the Piece Prize Committee to reconsider, they ignored us. Obama received and accepted the Piece Prize. Obama by accepting showed his falseness, a man without conscience who needs prosecuting.

**Universe Custodian Guardians** prayed to **1 God**. To intervene and show the Norwegian Government and Obama and his Assassins the error of their ways. **1 God** started with Norway.

**1 God** noticed a Norwegian fanatic attacking the Norwegian Government. The fanatic bungled it. **1 God** guided the criminal to a Government sponsored Youth camp. The criminal became an Assassin. **1 God** showed the Norwegian Government and people how the people of Afghanistan, Iraq, Libya, Pakistan, Somalia and Yemen feel like when Obama's Assassins strike.

Norwegians are to end the con, hoax and misleading 'Peace Prize'. Norwegian Government are to use the Peace Prize money to help 'Obama's Victims'

unarmed civilians (unborn, children, mothers, fathers, seniors..).

The Norwegian Government and Head of State are unfit to govern, need replacing. Insulting 'Peace' is insulting **1 God**. People are responsible for their Government's actions and have a duty to replace immoral government. The Norwegian people have a moral duty here.

**Universe Custodian Guardians** declare:

Barack Obama "Year 2012 - 2014" most Evil man !!!

**Peace** is an abstract.

**Violence** is the threat.

**Stop, Violence, start at home!**

**The New Age is evolving !**

Planet Earth **1 God's** favorite Creation has been ravaged by human environmental vandalism, pollution, greed, corruption, cults, immorality and Evil. **1 God** will clean Planet Earth using natural forces (disasters, disease) as tools. Cleansing began at '0.1.1.1'\* (2004)

**Life on Planet Earth** as we know it will cease.

Life on Earth will be totally different.

**The 'Law Giver Manifest' will be our Guide.**

Since year 0 (2004) the melting of Glaciers, Northern and Southern Poles Ice is speeding up. This will lead (eventually) to huge chunks of Ice to break loose. Drift away on both Poles unbalancing Planet Earth. This will make the planet wobble severely over a period. Resulting in sharp movement and realignment of Earth's

North South Pole Axis. The Axis will settle in a different configuration there will be new Poles.

The sharp realignment of the Axis leads to a short term gravity change for Planet Earth, resulting in a new orbit of the Moon. Satellites and the Space station will alter their orbits. Ocean currents will change. Weather will change to more extreme.

The Earth Plates will move. Earthquakes will create tidal waves and make Volcanoes erupt. Low-lying Coastal areas will be covered by the Sea.

**After:** Life forms will disappear. Eventually mutated evolutionary new life forms will appear. Humankind will be reduced by 1/3 !

Human created Nuclear Power Stations will leak poisoning air, soil and water. Toxic dumps will leak poisoning soil, water and air. Bridges, tall buildings will collapse. Ruptured Gas pipelines will start fires . Oil rigs will pollute the Oceans. Leaking Oil storage and pipelines will pollute soil and water or burn, polluting air. Dams will break and flood surrounding areas. Tunnels near water will flood.

The destroyed infrastructure and pollution will lead to food and water shortage. Civilizations will disintegrate resulting in looting, raping, brutalization and killing. Financial Markets will collapse and Capitalism will go bankrupt.

The worlds' oldest, most Evil Terrorist's (**Israeli**) will be held accountable. Israeli will only live in the promised land nowhere else in the physical Universe. Christianity in general and English speaking Christians in particular will suffer the most. Also countries that embrace English Christian Culture and Capitalism will also suffer. Christianity (**false Messiah cult**) will be reduced to insignificant pagan cults.

Light of the Desert cult (**Islam**) will fade into the dust of history. The multiple idols cult (**Hinduism**) will be seen as not suitable for the New-Age. The non religion (**Buddhism**) will fade away.

**1 God 1 Faith 1 Church Universe Custodian Guardians** will be the only Religion everything else are insignificant cults. Individualism is out. Private Ownership ends. Community ownership and living will be the new normal. Survivors of the cleansing of Earth

by **1 God** will have, 'The **Law Giver Manifest**' as guide.

Humankind destiny is Space exploration and colonization! All Provinces will use all their efforts and resources to achieve human destiny!
