

Lake Alfred is a city full of charm and quaint atmosphere which has been successfully integrated with today's modern amenities. We are proud to host a beautiful Veterans Park and businesses who have been here for 50+ years, such as, The Barn, Stable, and Back Porch Restaurant, Gary's Oyster Bar, and Lang's Taste of Florida. These business icons, as shown on the map, are just a few miles outside of our downtown area. Many of our distinctive sites are located right in the heart of our city and surround the Lake Alfred Heritage Festival. A few facts and details are listed here, but many more can be discovered by visiting our Lake Alfred Historical Museum.

We invite you to **Walk and Explore** today . . and come back again to **Explore** some more!!
