Your flood insurance policy covers building and contents damages related to flooding. To maintain coverage of this policy you must renew the policy each year.

You may choose to renew this policy with the current coverage limits shown below or increase your coverage with Option B. The increased coverage available with Option B accounts for an inflation factor of 10% for building coverage and 5% for contents.

\*The maximum amount of building coverage that can be purchased is the Replacement Cost Value of the building or the total number of units times \$250,000, whichever is less. Contents coverage maximum is \$100,000.
