Quotes:

“Her tireless commitment to her husband and family has meant sacrificing her own personal goals, including furthering her education. This scholarship will allow her to fulfill her lifelong dream of graduating during a time in her life where total commitment can be assured.” **Chester C. Haun** - Retired Geophysicist

“This scholarship is giving me options. This is my first Anchor Scholarship. I am grateful that thanks to your support and gratitude, I can keep moving and now, am in reach of my goal I have had to put on hold, I hope that I may, one day, thank you in person but if not, please know that it is my intention to “pay it forward” and extend the same opportunities that I have been given to another. Thank you.” **Gina**
