The Chinese have long revered the legend of Mulan, the girl warrior who has inspired countless songs, poems, books and films. ArtReach's new dramatic play brings this stirring tale to life with all the action and romance of the epic poem! This play showcases a large cast with many features, and the large roles of Mulan and Captain Cheng are divided so more actors have the chance to play their favorite characters. With everything from high-energy martial arts stage combat to the grace and beauty of a Chinese fan dance, The Legend of Mulan is an adventure not to be missed!
