

# Crow Canyon Country Club

NORTHERN CALIFORNIA

Our camp provides a safe, fun and healthy environment! USPTA certified instructors will bring enthusiasm, energy and technical concept to camp each and every day. Now with red, orange and green balls available, the balls bounce lower, move slower through the air and are easier to hit. Kid's tennis racquets are sized for small hands and courts are smaller for easier coverage. By using this new equipment and court size, the benefits are immediate and within a short time kids are rallying, playing and excited to keep playing. Get on the path and see how far you can take your game. This summer any player that is 10 and under and signs up for a one week camp will receive a one year membership to the USTA for FREE. We look forward to seeing you this summer!
