As all readers should know, the sick old useless, lying shut in chivers uses dozens of screen names to spew his insane, incoherent, racist drivel. You can tell because his various deranged personalities use the same words and phrases.

Just keep in mind that he is just a crippled up, mentally ill old handicap. The twisted freak is probably in a wheel chair, completely home bound and who hates his life and the world because of his envy. His only redemption is he is white. He is pathetic!

He starts with chivers but has at least 35 other insane names. The sick old freak is also Dixie Normus, So True, GetOverYourself, carmeldog, gonefishin, moonbaby, White Pride, troyboard, GreatGazoo, AieshasHood, liberslshaveruinedthecountry, leon, Katsass, Crusader, Like I Said, Detroit Boi, Aishas Dad, Gary, Joe, Goats for Humpers, the 73rd vergeen, truthmachine, nonsenseredux, Mark Farkle, Alice, Just Do It, Janitor in A Drum, Troy Skooz Diversity, exeastsider, stoptalking, Swisher Sweet, Kenny's plunge, stoptheplague, inspector, Kenny Farkle...

He is so sick!

Thanks for the information. We need to call out these racist trump supporters. Hence the slogan Take America Back originated from the lips of the racist used car salesman residing in the White House.

So if things go right on Monday, will she be gone? Let her keep all the office supplies she and Jackie hoarded and she can go live happily ever after wherever that is.
C'mon Monday!!!

Oh boy, a cabal of Michigan judges making a decision and not the people. What could go wrong?

"the people" put her in office, so it's not like nothing goes wrong when that happens either.

This woman has to go we need real leadership in the Macomb County Clerk's office, based on what I've heard if they remove her Stan Grot will appoint Greg Childs to replace the Macomb County Clerk the same day that she's removed from office.

no more demon-rats • 3 days ago

The new appointee has to be a Republican, because that is what the people voted for. The voters of Macomb County are tired of demon-rats. This is just a convenient way to get a demon-rat in where the voters don't want one. If a demon-rat is appointed, the voters need to protest.

No it doesn't have to be a republicon. You cons have damaged America enough for a life time in the last 7 months. Seat back and let the real grown ups run this country again.

I win and you all lose. Watch and see. After witnessing my legal acumen, even Kathy Viviano's brother won't be able to come down from the Supreme Court to help her.

Hackel's counsel will tremble in his shoes the moment I enter the ring.

Prosecutor Smith, I challenge you to a fight in the court of law after I win my civil case against the county. Mano v Mano. Charge her with perjury and I'll win that one as well.

P.S. - don't tell the tinfoil wacko I'm representing her to fund my kids college educations on the taxpayer dime (wait till you see my bill - it will make the county need a new budget). Truth be told - she doesn't have a leg to stand on. She is blinded by my brilliance.

At least half of these circuit court judges are cheating on their wives, so does that mean their residency is in question, too? After all, if you are spending more time at your mistress' place, you can't be truly living in your "official" residence.

Anyone would be better than this unstable woman with no education or experience, at anything productive. Too many republicans pulled the straight party ticket. Why Frank hitched a ride on this wagon going over a cliff is beyond me.

Very nice. You're putting Frank's quotes in a gibberish translator? You could have saved a lot of time and left them the way they were. They are already translated into gibberish.
