## Creating Curb Appeal

*Easy improvements that people notice*

Article submitted by: **Mark Hemler**

Curb appeal in this case is literally. There are many things that contribute to making your house and yard appealing to those walking by, driving by or visiting. Making those improvements in most cases is based on cost or time involved.

One easy thing one can do is to edge the driveway, sidewalk and curb. For some it is simply a quick sprucing up of an already maintained yard.

For some, if it is really overgrown is to get out there and put some "elbow grease" into it or possibly hire someone to do it for you. There are so many local lawn maintenance companies or individuals out there that will do this for you.

Below is an example of a before and after picture of a very overgrown walkway. The resulting dirt stain will disappear in time or can be power washed away for an even quicker finished look.

# Crime & Safety Concerns

The most direct and beneficial method to get your concerns heard by those that can do something about your issues is to attend the Police Community Relations Committee meetings. Members of Precinct 3 are in attendance to answer questions and listen to your concerns. Voice your concerns and listen to what is being

done and hear followup results during future meetings. Meetings are on the 3<sup>rd</sup> Tuesday of each month usually at Precinct 3 - 606 Nicodemus Road, Reisterstown. Some meetings recently are help online using the free Zoom app for smart phone or computer. To be added to their email notification list [SIGN UP HERE.](#) <<<

## Why Are So Many Cars Broken Into?

You would think there is a more involved reason but it is the simplest of reasons. Other than leaving valuables in plain view. More people than you would think leave their cars unlocked. Sometimes on purpose, sometimes by mistake. Yes, according to police reports this is the reason for not all but the majority of car breakins.

PLEASE LOCK YOUR CARS AT ALL TIMES! [More Details...](#)

## What Happened To The June Community CleanUp Day / Dumpsters?

Now that Baltimore County has brought back Free Bulk Item pickup there is no need to duplicate the efforts. So at this time we are going to see how things work out for the community. For Country Club Estates there are 2 pickups the first being on various days in April. You will have to check the Balt. Co. Bulk Trash pickup schedule for you exact day.

## YARD WASTE COLLECTIONS RETURN

News Release From Izzy Patoka

TOWSON, MD — Beginning April 1, 2022, yard materials will be collected separately for recycling from Baltimore County residents with “Y” days on their schedule. These separate yard material collections will occur from April through as late as December 14. If a resident’s schedule has no “Y” days, their yard materials will continue to be collected with trash year round. (Continued On Page 4)

# Community Yard Sale Days! May 14 & 21, 2022

This year we are once again joining Chartley to have a Two Community Yard Sale event. It will be over a two Saturday period. You may select one or both dates to conduct your yard sale.

As a participant you will want to set up your Yard Sale in your own front yard so people can see you are participating. The starting time that we are publishing is 8:00am for everyone. We have 2 dates so that if you select the 14<sup>th</sup> you will also have a 2<sup>nd</sup> chance to sell your remaining items on the 21<sup>st</sup> should it rain or you need a second opportunity to finish selling your items.

Participants must live in the Country Club Estates or Chartley communities. Of course anyone may attend the various Yard Sales throughout the communities. We have a [FLYER](#) to help you help us promote this event. We strongly encourage participants to sign up to be on the master location list. This will be offered online for people to print down in order to know where to look for the Yard Sales. Similar to the way we have run this event over the past few years. [REGISTER HERE!](#)

## YARD WASTE COLLECTIONS

(Continued From Page 2)

Residents may view their schedule on the [Bureau of Solid Waste Management's website](#). Schedules can also be obtained through the County's BaltCoGo mobile app or by calling 410-887-2000. , all [Baltimore County Public Library branches](#) and all [County senior centers](#).

Yard materials acceptable for recycling collection include grass, leaves, vines, twigs, shrubbery trimmings, branches and limbs. New this year, revised County regulations require that yard materials set out for separate "Y" day collection **must be placed in heavy-duty paper lawn and leaf bags or bundled with non-plastic string**. For these set-outs, plastic bags will not be accepted. To assist with the transition to this new set-out rule, the County is providing a limited amount of paper yard material bags to residents at no cost. Paper bags are available for pick-up at all [County trash and recycling drop-off centers](#), all [Baltimore County Public Library branches](#) and all [County senior centers](#). The bags are limited to five per person and are available on a first-come, first-served basis.

Yard materials acceptable for recycling collection include grass, leaves, vines, twigs, shrubbery trimmings, branches and limbs. Branches and limbs will be collected only if they are no larger than 3 inches in diameter and no longer than 3 feet.
