Delivered Commencement Speech at The White Coat Ceremony for the graduating audiology doctors at City University of New York. Jun 2016.

Hearing Review Selected as 2016 Magazine Award Finalist for the 2016 Eddie & Ozzie Awards. The September 2015 issue of The Hearing Review was published in both print and digital format. Hearing Review Editor in Chief Karl E. Strom worked with Guest Editor and hearing healthcare expert Douglas L. Beck, AuD, who gathered an "expert roundtable" of audiologists and hearing care researchers who contributed short articles, or seven "chapters" in a series, for the issue. These chapters were compiled as a special section devoted to cognition, audition, and amplification.
