Aviators!*

Summer Athletic Camp Schedule

Each summer we host summer sports camps for all incoming 6th, 7th, & 8th graders in effort to improve sports skills and knowledge. Each sport will be held during a separate week of the summer, and will be led by our athletic coaches at Davis Middle School. We would like to invite all students, who have experience in these sports, as well as those who also are interested in future participation of these sports. These camps have assisted in our thirteen City Championships in just four years of competition! We hope that you will be a part of the continued Aviator success

Boys and Girls Track & Field

Davis Aviators,

Preparation for the 18/19 athletic year begins this summer, as coaches & athletes will work to improve on individual & team skills. Davis athletics compete against other Omaha Public Schools at the 7th & 8th grade levels, but we also believe in preparing our 6th graders through camps, training opportunities, and intramurals. Middle School athletics are broken up into four seasons. Students are only allowed to compete in one sport per season. We encourage our student athletes to try new opportunities and participate in a sport each season! Our athletic camps are a great opportunity for our athletes to build team unity, as well as an understanding of the value of hard work during athletic off-seasons! We hope your student will join us this summer for

Davis Athletic Philosophy

To provide an opportunity for Davis Students to build the skills necessary to improve student and athletic ability in order to contribute to a team's success, as well as allow for the knowledge and skill progress towards the high school level.

Save the Date!!! Davis Student Orientation

Thursday, Aug. 9, 3:30PM to 7:30PM - New Students
Monday, Aug. 13, 3:30PM to 7:30PM - Returning Students

Watch for your packet of Important Papers (large white envelope) to arrive in the mail towards the end of July. Remember, you must have a Sports Physical to play a sport. Please bring your physical with you to Student Orientation.
