

VIGNAN PHARMACY COLLEGE

VADLAMUDI

CELL PHONE POLICY FOR STUDENTS

- 1) Students are not allowed to use any type of cellphones while in the college campus as cellphones are very distracting and pose a serious security issue.
- 2) Students coming from long distance are only allowed to carry a very basic keypad phone absolutely without a camera and only with prior intimation to the Mentor/Chief-Mentor.
- 3) Upon entering the college campus/premises cellphones should be turned off with no exceptions what so ever.
- 4) Keeping the phone in silent mode or vibration mode in the campus is considered as serious violation of college rules and such phones if caught will not be given back under any circumstances. Keeping the cellphone in silent mode won't help, as students tend to be curious on missed calls, unread SMS's and other social networking messages like Facebook, WhatsApp, Twitter, google hangouts etc.
- 5) Any advanced phones like iphone, android phone, windows phone and any touch screen phone with or without camera will be confiscated by the college authorities and will only be given back to the student's parent/guardian upon paying the fine, even if the phone is found in switched off condition.
- 6) There will be surprise bag checks frequently in every classroom because College is a place for learning and not for entertainment.
- 7) In case of an emergency while in the college campus, students are advised to use the telephone located in the office lobby in ground floor.
- 8) A fine of Rs.500.00 will be collected from the student every instance a basic phone without camera was caught switched on in the college campus found either in normal mode or silent/vibrate mode.
- 9) Advanced phones with or without camera if caught even in switched off condition will not be given back to the student. It will only be returned to the student parent after paying the fine.
- 10) The college is not responsible for the loss or theft of student cell phones in the campus and no complaints what so ever will be accepted or entertained for investigation in the event of such a loss/theft.
- 11) Hence all the students are hereby cautioned to refrain using cell phones while in the college campus or face the consequences.
