“Excellence is not a skill
It is an attitude”
-Ralph Martson

It is hard to believe we are down to thirty days of school. With this milestone we are at a fever pitch trying to cram that last bit of knowledge your students will need for next year. Our students are just as stressed feeling the end of the school year is coming and transitions will be happening, whether they are changing grades or moving on to Village or other places. As the year closes I am beginning the important process of retrospection. Over the next few weeks we will be looking at the year and analyzing what went well and what areas we will be focusing more energy on next year.

Recognitions: Last week at our Community Meeting we recognized our volunteer parents who organized and produced the Talent Show. This incredible show displayed 36 acts. That ran like clockwork thanks to these volunteers.

From left to right: Ms. Baron and Ms. McDonald
Missing: Ms. Moran, Ms. McComish and Ms. Gilmore

Lost and Found: Our lost and found table is overflowing with pullovers and sweatshirts. We will be sending the contents to the Magic Hat on Friday. Please feel free to see if you can locate your child's missing clothing. The table is located under the main stairwell in the lobby.

May Celebrations:

We invite all families of second graders to join us for the Second Grade Spring Celebration on Tuesday, May 23 at 1:15. Please join us around the Maypole on Glabicky Field at Gatchell's Green for an afternoon of song and dance.

Book Collection: Cahill Whittier and Hadley Kaeyer, are students at the Marblehead High School and of the Interact Club. They continue to collect gently used picture books for K-8 as part of an international literacy drive for the Philippines. Books may be dropped off in our main lobby

Pre-K Playground: The public may use the pre-k playground at your own risk after school hours. We are thankful that you have been policing the area after you are done. Please be sure that the cover is placed on the sandbox when you leave. This will prevent the sand from blowing away and most importantly to prevent it from becoming a very large liter box.

Health Fair: Abby Faria (High School Senior Project) and Nurse Dawn are holding the Health Fair in the school gym on Wednesday, May 24th, 2017 from 8:30 to 11:00 am. It will include a variety of activities and presentations on topics related to health and safety. Local organizations and community members are providing many of these activities and presentations. If you or any family members or friends with careers or experience in the health field would like to participate in this year's Healthy Kids Fair please contact Nurse Dawn.

We are in need of parent volunteers to take the classes to the fair and walk them through the different table presentations that we'll have.

If you are interested in volunteering for this event, please contact us: Abby: abbyefaria518@gmail.com
