Norcross Patch

Parkside in Historic Norcross, located at Lillian Webb Park in the heart of downtown, announces plans to begin construction this fall. Sales activity has been healthy as 5 of the 7 lots on College St have been reserved. Pre-construction sales prices have been set significantly below recent appraised values, providing built-in equity for early buyers. Visit our website at www.parksidenorcross.com for more information along with regular sales and construction updates.

Parkside is a unique residential community designed to capture the classic architecture of the Row Houses of the 20's and 30's. Each home will feature a 2 car garage, 3-5 bedroom floor plans, a bonus/flex room, large porches, open living areas, and optional roof top terraces. Centered in the heart of the Norcross Historic District, Parkside is a short walk to all of the amenities downtown Norcross has to offer.
