“The Lord gives each of us a vocation, a challenge to discover the talents and abilities we possess and to put them at the service of others” – Pope Francis, August 29th, 2019

Fr. Paul put sanitary hot air hand dryers in the rest rooms at his church and after two weeks took them out. Deacon Darin asked why he took them out, Father confessed that they worked fine but when he went in to the rest room he saw a sign that read, "For a sample of this week's sermon, push the button." ☺
