The Red Barons offer a complete flight training program with experienced flight instructors. We can teach you to fly on one of our modern club trainers complete with radio, fuel, safety education etc. Or, If you prefer, it can be arranged for you to be trained on your own equipment. This service is available by appointment only and best of all it is **FREE OF CHARGE!!**

For more information on our Training Program please email this form to Joe Patrick at joe@rightsidegear.net
