

Welcome to ASIS

A Word From Our Chairman

Greetings all, as we close out the year 2018 with our fourth quarter, it continued to reflect a great year for us. At our October meeting, FBI Supervisory Special Agent Keith Givens provided us with valuable insight into what the Bureau will and would not look into from a federal perspective. Lots of questions and debate after his presentation. November we held our Chapter outing at Escapology where we were challenged to escape from three timed scenarios of; A Submarine running out of Oxygen, On a Train trying to find a Killer, and being framed for committing the Greatest Crime in American History. It was such a great time of bonding and fun, to be consider for maybe next year. Finally, we closed out the year with our Chapter Holiday outing in December. Everyone enjoyed the relaxing time to fellowship and also the sharing of an unwrapped (Toy) gift to be shared through the Salvation Army with a deserving young one.

We continue to have members study for and some who have received their ASIS International Board Certifications. We are looking to facilitate a review program here in the Orlando area sometime next year, more to follow.

Your newly elected board members for 2019 are:

Chairman Earl Biggett, CPP

Vice Chair Justin Messenger

Treasurer Jon Viola, CPP/PSP

Secretary Mike Winters, CPP

Please extend a heartfelt thank you to these fine volunteers as we move into 2019.

I pray for a safe and productive New Year for the Chapter and Board.

ASIS International & Orlando Goals and Mission Statement for 2018

ASIS International Goals:

- 1) Retain, Grow and Diversify
- 2) Advance Knowledge and Opportunity
- 3) Expand and Professionalize

ASIS International Mission:

- 1) To provide the opportunity to network and interact with col-leagues and other security practitioners in a local setting.
- 2) To provide educational training and professional development for our members designed to arm them with the most up-to-date information concerning the challenges of today's security practitioner.
- 3) To provide opportunities for the retention, growth, and diversity of our membership.
- 4) To provide assistance in obtaining the industry's most coveted and recognized certifications, the CPP, SP, and PCI.

ASIS Orlando Mission:

Supporting the International Organization's Mission, by locally promoting excellence and leadership in the security management profession.

ASIS Orlando Vision:

Supporting the International Organization's Vision to be the recognized leader advancing security worldwide. To also be the recognized local chapter leader within the state and the Southeast.

The Greater Orlando Chapter has strong roots in the business community, demonstrated by Chapter Members who serve the community by pledging their time, talent and financial resources to many local organizations. Please give back to our community and contribute to the advancement of the security profession by joining ASIS International and our local Chapter.

We recognize that without our Members' support, we would not have cause to celebrate our many years of service. With this in mind, we would like to extend our most sincere gratitude to our Members for their continued commitment to our Chapter and by extension our Community.

Founded in July, 1969, the Orlando Chapter of ASIS International provides a forum for Security Professionals to grow and diversity; advancing knowledge and opportunity in our field. Our Chapter has a monthly meeting with speakers covering a broad range of topics on the latest Security issues. During December a Holiday meeting is held and dedicated to collecting toys for the children at Harbor House of Central Florida, a domestic violence refuge and our Chapter community service project.

ASIS International Board Certifications

The **Certified Protection Professional (CPP)**® credential provides demonstrable proof of knowledge and management skills in eight key domains of security. Those who earn the CPP are ASIS board-certified in security management.

The **Professional Certified Investigator (PCI)**® credential provides demonstrable proof of an individual's knowledge and experience in case management, evidence collection, and preparation of reports and testimony to substantiate findings. Those who earn the PCI are ASIS board-certified in investigations.

The **Physical Security Professional (PSP)**® credential provides demonstrable knowledge and experience in threat assessment and risk analysis; integrated physical security systems; and the appropriate identification, implementation, and ongoing evaluation of security measures. Those who earn the PSP are ASIS board certified in physical security.

Why Earn an ASIS Certification?

- Validate your security management expertise
- Be globally recognized by your peers and industry
- Get a competitive edge in the marketplace
- Enhance your career and earnings potential
- Broaden experience and training from law enforcement and military backgrounds
- Gain personal satisfaction and professional achievement

You can reach new heights in professional security excellence with an ASIS board certification!
