Appeal for Lepira charity January 25-26.

Lepira is a charity which helps treat and support the poorest of the poor who live with the disease Leprosy. Over 3 million people across the globe are living with undiagnosed leprosy. Leprosy is not a disease of the past, it still exists and it is still destroying lives. This charity helps to alleviate the effects of this crippling disease in India, Bangladesh and Ethiopia. Please support the work of this charity who are assisting some of the poorest and most socially isolated people across humanity. A retiring collection will be taken at our Sunday Masses over this weekend.
