## **President's Message**

May is one of our busiest months of the year. A celebration of "Mothers" on her special day, Graduation Day, with many children or grandchildren graduating high school or college with celebrations, then at the end of the month Memorial Day. A time to remember all the brave men and women who have fought to keep our freedom free throughout the many years of war. May is also the month that God gives us such a bountiful abundance of flowers for everyone to enjoy and to remember his grace and love. So many new beginnings start in May also. New jobs and careers, relocations away from home for the college bound, and let's not forget the May weddings that enlarge the family tree by adding a new branch.

Since this will get to everyone after Mother's Day, I pray everyone had a great day and blessings were abundant. It is also time to start planning those summer get aways. May your travels be safe, happy and enjoyable. I will be out of pocket for a month this summer. Graduation trip for our Miss Fiesta Teen Queen Madelyn will take my family to Hawaii for some fun, food, beaches, exploring and hula dancing. Still reachable by phone if necessary.

We have another Fiesta Celebration behind us. Attending all the crownings, receptions, parades, and special events with our Queen was inspiring, educational, and most of all representing the Woman's Club for you. Meeting a lot of inspirational and dedicated people who care about our community was the highlight of this journey along with having my own granddaughter beside me as our Miss Fiesta Teen Queen. Had memories that will last a lifetime for the both of us. My heartfelt appreciation goes out to all our members who have helped in any way with any of the events of Fiesta. Your support means more than you can imagine. It was great to see our Ingenues in The Pilgrimage to the Alamo, River & Battle of Flowers Parade. We have some beautiful ladies.

I heard we had a great Golden Girls Luncheon and fun was had by all. So sorry I missed it but was in Dallas watching my grandson receive his Master degree from DBU.

Looking forward to the June 7, 2017 general meeting where we will have the Presentation of Scholarship Recipients. Then on June 21<sup>st</sup> we will have our first Summer Luncheon/Program Fundraiser. Hope to see a lot of our members there.

Have a great summer! God Bless,  
Barbara June (B.J.) Duncan, President

## Memorial Bricks

Our bricks are a wonderful way to create a lasting memory for loved ones, friends, commemorating special occasions, and as a "thank you" for a job well done at a very affordable price of only \$50. Forms are in the office on the credenza and can be left for me along with your check or credit card receipt. Don't be too wordy as our bricks can accommodate a limited number of spaces----the form should spell it out for you. I will review each order and get back with you if I have questions. Allow processing time of at least a month from receipt of your order to installation. Don't forget to take a walk out front to see your brick!

Harriett Ellerbee, Brick Lady

## Fiesta Medal Competition

Every organization has a Fiesta medal! We have produced one each year, and generally, members have created the design. This year **Iris Francis** was our designer....one of the best we have ever had!

At the July Summer Luncheon on July 19, we will hold a competition among our members to create the 2018 Fiesta medal.

So put your thinking caps on and get those creative juices flowing! Keep in mind that the cost does not go up with an outline that is "outside the box". Putting

dangles on the medal raises the cost per medal.

- 1) Bring your design to the club before the July 18.
- 2) Create the artwork on a 8x10 piece of paper.
- 3) Submit it to Martha Aguirre, our House Supervisor.

You will be identified with a number so that your identity will be kept secret until after the design is chosen and the winner is announced!

Let's make that 2018 medal one that everyone will just have to include in her collection.
