

Home to our all new 5 Full Day Pre-Kindergarten Program!

Starting September 2016 we will be offering a brand new 5 full day Pre-Kindergarten Program. Our current Kindergarten and our new Pre-Kindergarten Program will both be housed in the new building shown in the picture. The curriculum of the new program will follow the guidelines of our currently run programs but on an expanded basis. We are very excited to be able to offer this new opportunity to our families!
