KIWANIS MEETING OF March 20th, 2017

Last week, on a cold and snowy Monday noon, only eight members were at our luncheon meeting. This week, on a sunny first day of Spring, only eight members were at our luncheon meeting (Ann, Anne, Ben, Bob, Bob, Joe, Pat and Vince). CONCLUSION---whether the weather is windy and wet, or whether the weather is wonderfully warm---our luncheon turnout is consistently woeful.

The buffet included French bread, assorted greens salad with (Vince's favorite) cucumbers, and a casserole with various ingredients. I envied Anne's salmon meal.

President Pat chose three Kiwanis songs: (1) Smile Sing a Song---and the world smiles with you, (2) Boost Kiwanis---to the tune of On Wisconsin for the Badgers BB team, (3) Take Me Down To Kiwanis---and forget all our troubles.

Ann Patteson was in the news. As the chairwoman of the Stadium District she was interviewed by a Press Gazette reporter regarding funding for the proposed Bullfrog stadium.

Joe had a Happy Dollar as he told us about his daughter visiting and deciding to attend Texas A & M University. Anne's Happy Dollar was to

tell us about the retirement of the Volunteer Center executive director. And Ann P. had a very happy dollar telling us that her family will be going on a Disney cruise next week (we will understand why you won't be one of the eight members attending next week's meeting, Ann).

Pat said that he will be meeting with Kiwanian Dale Vaness, a past District Kiwanis Governor, who chairs a Kiwanis committee called "The Formula" which is intended to help clubs recruit new members.

Continuing a recent trend, our speaker had a conflict and couldn't be with us this week.
