

The Groundhog said early Spring!

With a great community as ours we always start with thank you. Thank you to Lisa for her cooking, Mr. Bob for picking up the donuts, everyone who help with clean up, set up and preparation for events and thank you for all the great cooking for January's Chili pot luck. Patricia also expressed her gratitude for all the prayers and visits while she was not feeling well. And we also wish to extend our prayers to Trish and to Charlie for their wellness.

February Business:

- Keyless entry was added to the bathrooms for the safety and comfort of our residents. It was discussed that a few people who are not residents or guests here were found to be using the bathrooms so Laura had keyless locks installed. It is for our protection and under no reason should you share to key code with anyone. If someone asks to use the bathroom you can say you don't know the new code and leave it at that or tell them to see Laura. As of now the Rec Hall and the Laundry will remain without locks.
- It was discussed we will not discuss the speeding, garbage and dog issues since it has been discussed every month already however as you read this we are discussing it again.
- In the Rec Hall we have a comments, suggestions and COMPLIMENTS box. Yes, it says "compliments" not "complaints". With that we want to thank Trish for actually putting together a list of restaurants and events as suggestions to do and Patricia also for doing the same.

February fun stuff: See the sign up sheets at the Rec Hall for information on all events.

The day trip was cancelled last month due to the weather so we are planning to try it again this month followed by lunch. Putt Putt Golf at Adventure Cove.

Beading Class this month is a beautiful bead necklace in Garnet and gold or silver. Everything is included in the \$15 price. Join us for fun and leave with a necklace you'll love to wear.

Our pot luck dinner this month is BBQ Pork! Bring your own table service and drink for yourself and a dish to share.

Out to lunch this month will be Buster Tubbs in Tavares.

We will be having a presentation of Noni products followed by snacks at the Rec Hall on February 11th. See information sheet at the clubhouse for time.

Jeff's Cooking Class will be learn to cook Bracirole.

We have a new game on Friday night: Pokeno! Learn to play this easy game, meet your neighbors and have some fun.

Georgefest 2020 is February 21st and 22nd. It is the oldest continuous running Georgefest event in the country.

Upcoming events are:

March Yard Sale is first weekend in March. Start your spring cleaning off right. Signs and an ad will be placed for the sale.

Mitochondrial Fish Fry Dinner Event will be March 20th! Mark your calendar, volunteer, have some fun, win great gifts and help find a cure for this incurable disease. STOP IT IN ITS TRACKS!
