LETTER TO THE EDITOR

Dear Lake County Residents,

I would like to reply to the editorial, written by Paul Deaner, in last week's Journal.

Regarding masking and where our group stands, first and foremost, we are not against everyone masking. If you choose to wear one, that is your right, just as it is ours not to.

On March 5, 2021, the CDC published a report admitting that the face masks do NOT provide protection against Covid-19, and potentially worsen infection risk.

So, we do listen to science, unlike, as stated by Mr. Deaner, that our School board members and the administration are listening to County Commissioner appointed health workers, with little or no medical background in viruses.

The slanderous attack of one of our members was unconscionable and he should be ashamed of himself. He said one of her wrong statements in this paper was that the School Board and Administration have not been transparent. Has Mr. Deaner ever been at a School Board meeting or any of our MN Arrowhead Conservative Voices meetings before October 12? I think not.

I knew Paul was an actor, but I didn't know he was a mind reader! Has he ever asked US what we were referring to - NO!!

Mr. Deaner's quote, at the October 12 School Board Meeting, that there are 21 Lake county deaths from Covid. I would like to set the record straight and remind the readers the 21 he referenced were actually since the onset in 2019.

As far as his statement about the August meeting, he needs to get his facts correct and not use hearsay. Again, he was not present for this meeting.

We have always been respectful at the School Board Meetings, a truth Paul himself cannot say. Mr. Deaner actually was the one who screamed and was extremely rude at the October 12 meeting.

The mic issue did happen BUT that was not at a School Board meeting, but at one of our MN Arrowhead Conservative Voices meetings. Once again, Mr. Deaner was quoting hearsay.

Paul Deaner quotes us as being rude and disrespectful. He loudly turns to our group and yells, STOP IT! Ask yourself why is it ok for him to do.?

We have never threatened anyone. CAN THEY SAY THE SAME?

God Bless you all & God Bless America
