## PRESIDENT'S LETTER:

Greetings,

Fall is in the air. Hunting season begins for most, but our antelope season is over.

Nick harvested a nice typical buck with his flintlock. I am looking forward to some bird hunting and fall fishing now that the mosquitoes are mostly gone.

Our September trap and skeet shoot in worland was a success with good weather and a nice turnout.

Our next board meeting will be at convention. There will be board seats to be filled. Please consider sharing your opinions on filling these positions.

The December newsletter will have my last message as president as my term will expire at the January convention.

Also, I have been appointed as your state representative for the National Muzzle Loading Rifle Association. If you have any questions please contact me. Thank you for your support.

Sincerely, Frank

**WILDS OF WYOMING SHOTGUN SHOOT, SEPTEMBER 9-11**

The Worland shotgun shoot was the second time it was scheduled this year. In April the weather can be a little bit tricky, and so to see if more shooters would attend, another shoot was added in September. About the same number of shooters attended the September shoot as in April. Friday the weather was wet but some shooting did happen.

Saturday the shooting was right on schedule. Both trap and skeet matches were shot. Both percussion and flint guns were used. Flintlock seems to be more difficult, but clays were broken by flintlocks.

Eight participants shot the cartridge match Sunday. Top score was 19 of 25.

Frank and Bill are looking for ways to promote the shotgun shoot and hoping for more participants especially women and juniors. There are always guns to borrow and someone to show you how to shoot shotgun. Happy Shooting ! (By Sandy Ladwig)

## 11th Annual Wyoming Stat Shotgun Shoot, Sept 9-11, Worland

After rescheduling from April due to rain, the shoot attracted 13 shooters including one junior shooter. Friday started with the threat of rain but turned into a pleasant day for shooting. Saturday and Sunday the weather was great. Friday and Saturday morning trap was shot then Saturday afternoon skeet. Sunday was the cartridge match. We are going to discuss when the next shoot will be at the convention in January. (By Bill Morrison.)

## THIRD ANNUAL DEER CREEK RENDEZVOUS

The third annual "fun" Deer Creek Blanket Shoot Rendezvous was held September 16, 17, and 18<sup>th</sup>. A very nice weekend to come out and shoot. The days were absolutely beautiful, and it rained during the night. A great mild September weekend to enjoy.

Friday was a day to set up camp, get targets ready, visit with the campers, and enjoy an evening next to the fire.

Shooting was all done on Saturday and Sunday. We had six targets to shoot at, one pistol target, if you had a pistol, and one fun target that Jim Miller came up with, for a fun prize. It was a bucket full of goodies, and cash. We used it as a fifty fifty buy in target. Burt was the overall winner of the bucket of goodies. We had 32 entries for the fun buy in target.

In the regular aggregate target pack there was definitely some good competition shooting going on, but this shoot was more of a fun relaxed shoot, that was enjoyed by all members. This was a blanket shoot rendezvous, in which you brought a \$10 prize to be put on the blanket, and that was your entry fee for the shoot. Pretty cheap to shoot for the weekend.

Saturday was ended by a potluck meal, and a Hawk and Knife competition. Everyone brought a dish to share with everyone. There was a little bit of food left over, and no one left hungry. After dinner, was the Hawk and Knife competition. Juniors, sub-juniors, women, and men all threw Hawk. Competition was good between all throwers.

We did have a couple of people who have not been to a rendezvous before come out and camp for the weekend, and their family has joined to become Deer Creek Muzzleloader Members. We are hoping to see them out shooting with us in the months to come.

So until Rendezvous next year,  
Happy Shooting.  
Sandy Ladwig
