Happy Tales

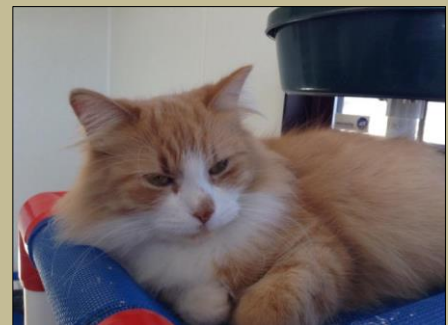

Hooch

"This guy was adopted from the original Happy Tails founder (Helen Fransen) on Hickory Hills Road [in Sterling] back in 2001. At that time he was estimated to be between 3 and 6 years of age. He's moved all over northern Illinois with me and is my total sweetheart and constant companion. We've had some health scares over the years. His immune system has never been great and the tiniest flea bite sends him into a whole huge skin infection/losing hair mess so we always have to be extra careful but his unconditional love has been all well worth it. From Hooch, myself, and my family, thank you for all that you do!"--Sherry Siedenburg

Liona

Liona was rescued from a kill shelter. Her new mom Marisa tells us that "Liona--now known as Oona--is the sweetest thing alive! She's slept in bed with us every night since she came home and loves being queen of the house!"--Marisa Swenson

Pepper

"We have Pepper and she's a very loving dog and is doing GREAT...thank you!!"--Kristy Jackson Proper
