Solid Stainless Steel

Barrel Handles,
Knobs & Pulls

finish code:

brushed stainless steel 38

brushed stainless steel 38/31
with polished chrome

Converting millimeters to inches:
millimeters X .0394 = inches

Note: HL15052, HL15053 and HL15054 are available in other finishes (see page 10.) In brushed stainless steel, these pulls have a larger projection than in dull nickel and polished chrome. See display for comparison.

Note: HL15112 and HL15113 are three pieces which will fit tightly together as one unit, only if the center to center is accurately drilled to the exact millimeter.

RETURN GOODS

Only the retail showroom may contact HI LINE regarding a Return Goods Authorization. Factory defects, shipping damages or order discrepancies must be reported within 10 days of receipt of goods. Check orders upon delivery and inform drop-ship and internet customers of this strictly enforced policy. Merchandise can be returned only with approval from the factory. All returns must be sent freight pre-paid. Returned goods are subject to a 25% re-stock charge. Request for an RGA must be made via fax by the retail showroom within 60 days of the invoice date. Merchandise must be in original packaging with all parts and components as shipped. Refer to the complete RGA policy in the current price book.

PRODUCT CARE & MAINTENANCE

All finishes can be wiped clean with a soft, non-abrasive cloth that can be dampened with clear water and dried with a clean, soft, non-abrasive cloth. Use of abrasive cleaners or chemicals will damage all finishes and will void the manufacturer's warranty for applicable finishes. Excluding Oil Rubbed Bronze, all finishes can be cleaned with an ordinary car wax product, following the enclosed instruction for that product. Oil Rubbed Bronze, being a "living finish," characteristically may change in color over time due to age and environmental conditions. Use only clear water and a soft, non-abrasive cloth as instructed above.

PRODUCT WARRANTY

HI LINE offers the following product warranty to the original purchaser:

MECHANICAL: A lifetime limited warranty against defects in workmanship, material or operation subject to ordinary wear and tear.

FINISHES & TRIM COMPONENTS: Subject to the terms and conditions of this warranty, no lifetime warranty is offered on any other finishes or trim components (ie: wood or acrylic.) "Living Finishes," such as Oil Rubbed Bronze, characteristically may change in color over time due to age and environmental conditions.

HI LINE will, at its sole discretion, either repair or replace the defective product. Upon such a repair or replacement, the original remaining warranty will continue, as applicable. Should any product (or component) become discontinued, at its sole discretion, HI LINE reserves the right to replace with a similar product of comparable price. HI LINE will not be obligated in any case, nor be liable for, labor or other costs related to the installation, repair or replacement or loss or damage. Refer to the current price book for complete warranty information.

Photographic images in this catalog may not represent hardware finishes accurately. Visit a retail showroom to view the actual hardware on a display. Finishes may vary slightly in appearance due to time of manufacturing and environmental conditions.
