DECEMBER 2016 VOLUME 60 ISSUE 4

**Presidents Message:** On Friday December 2, a granite bench was dedicated to Ray McEachern, a reporter for the Patriot Ledger for 35 years who lived on Sea Avenue. Ray, former Good Neighbor passed away in 2010, Uncle Sam Rounseville and Leo Kelly close friends of McEachern were instrumental in raising the funds needed for the bench, which was placed at the Houghs Neck Veterans Memorial Park. The bench faces the home where Ray lived. A donation in Ray's memory was made to the Houghs Neck C.C. Scholarship fund. With that donation there will be a permanent scholarship in Rays name. Rays family made an additional matching donation. On behalf of the Scholarship Committee, I thank both the committee and the McEachern family.

On Sunday, December 4, at 5:00pm the Community Council, American Legion Post 380 and the Houghs Neck Congregational Church hosted the 58th Annual Tree Lighting Ceremony. The Legion placed a wreath to honor our veterans at the WWII memorial. Songs of the season were heard from the children, Santa visited with candy canes for all, the congregational church provided light refreshments after the ceremony, This is a wonderful community event celebrating the beginning of the Christmas Season, This months Bulletin has a few upcoming events, that the church's, and Atherton Hough PTO are sponsoring. Check each page for the information.

The Community Council has two new Houghs Neck Merchandise items for sale. A Necka baseball cap with a Velcro closure for the right fit and a Friend of a Necka Bumper Sticker. The Hats are \$10.00 and the Sticker only \$2.00. Eileen at E&T Ceramics will have them at the shop at 367 Billings Road in Wollaston, at the corner of West Elm Ave. & Billings Road. 617-479-4107. You can order all of our merchandise from the form on the back page.

Our third annual Martin Luther King Jr.. Day of Service will be held on Thursday, January 12, 2017 from 4 to 7pm at the community center. All are invited to participate, there will be a coat drive, clean gently worn items only. Making Valentines & inspirational rocks for our seniors, letters for our troops and Night time bags for youths. For additional info call 617-376-1385. We had a great time last year and hope to have more volunteers this year. A great way to start 2017 helping those in need & the brave men and women serving our country.

The neck's sweetest shop during the summer months, Hough Many Scoops is now open! Stop by for some delicious coffee, soups, bagels and more! They hope to see you soon!

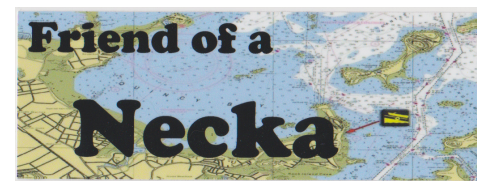

Kathy and I wish everyone a Happy and Safe Holiday season and a Healthy New Year. - Dave DiBona

**Troop 6 News** Wow. As I sit down to write this, I realize that it has been several months since my last update on the adventures of Troop 6. A LOT has happened!!! New Hampshire, Florida, Peddocks, Charles River, community service, pumpkins, advancement, and a bunch of other stuff I can't even remember.

Back in July, we took a fantastic crew to summer camp at TL Storer in New Hampshire. We swam, boated, hiked, camped, earned a ton of merit badges and kicked some serious butt in the Camp Wide Games (for the first time ever!) In August, 8 of our scouts and 2 of our leaders went to the Florida Sea Base and spent a week on a pair of sailboats in the Florida Keys. They swam with sea turtles and dolphins, snorkeled coral reefs, explored mangrove swamps by kayak, and learned a bit about the Florida ecosystem.

In addition to all the fun, we also had one of our scouts, Frankie Reich, complete his Eagle Project. He, with some help of the scouts, scouters, family, and friends, managed to build an entire outdoor classroom for the Monatiquot School in Braintree. It was dedicated to a former teacher there and the staff and the entire community came out for the dedication. There was a fantastic write up in the Quincy Sun and Patriot Ledger too! He only has a few more merit badges, and Frankie will be ready for his Eagle!

In September, we spend the weekend out on Peddocks Island exploring the history and cleaning up the beaches. In October, we participated in Scouting's Outdoor Adventure on the River, or SOAR. This was a huge camporee held on the banks of the Charles River in Boston. Unfortunately, the event earned the nickname "SOAK" because of the torrential rains we had all weekend. The scouts survived, and we were among the last to leave, despite the floods!

November brought our now annual "Punkin Chunkin" event at Pageant Field. This year we introduced our giant slingshot, or the "Pumpkin Punisher" as it was named, along with our trebuchet (kind of like a catapult). The event was packed with people and we managed to smash somewhere on the order of 300+ pumpkins! We also had food, games, T-shirts, crafts, and collected over 200 pounds of unwanted candy that was shipped to our soldiers overseas, courtesy of IBEW 103. It was a fantastic event, and we were able to raise quite a bit of money to help the scouts with their upcoming trips.

In addition to big crazy events like Punkin Chunkin, our main fundraiser for the scouts is still the bottle drives. Our goal in Troop 6, is to give the scouts the ability to earn enough money that the entire program is free for them. That includes summer camps, Jamborees, ski trips, etc. In order to pay for all this fun, we do need your support. Our next drive is December 10th from 9-12 in Labrecque Field parking lot and we will continue to have them year round on the second Saturday of every month. Please consider donating your soda and beer bottles to us rather than tossing them in your recycling. As our Troop grows, the money we earn is being spread thinner and thinner and we really want to continue to run a program where all the activities can be paid for through the boys fundraising efforts. Please feel free to call if you need a pickup!

Yours in Scouting, *Rob Gordon, Troop 6 Scoutmaster, 617-479-7412*

a 13 minute documentary "slice of  
life" art film showing kids diving into  
the Granite Rail Quarry, hanging out,  
and talking about Vietnam. Richard  
Rogers, who created the film while  
he was a student at Harvard, later  
became a professor there. Excerpts  
from The Cardinal, The Invention  
of Lying and Gone Baby Gone will  
also be screened. There will be an  
opportunity for the public to share any  
experiences they had at the quarries  
over the years and to identify any of  
the people in the documentary!

**HOUGHS NECK  
GARDEN CLUB**

**DECEMBER 2016**

At the first meeting of the New  
Year on Wednesday, January 4th,  
Patti Williams, local Houghs  
Neck historian and Houghs Neck  
Garden Club president, will  
give a talk on "Nut Island from  
1600 to 1900." Nut Island is a  
fascinating plot of land located  
at the northeastern tip of Houghs  
Neck. Originally four acres (and  
now 17) this small (former) island  
has significance far beyond its size.  
Williams will discuss various  
aspects of its history through a  
slide presentation of little seen  
maps and photographs. The  
meeting will be held in the MWRA  
Community Room at Nut Island,  
2nd floor, 149 Sea Street, starting  
at 7pm with refreshments and a  
brief business meeting followed  
by the program at 7:30pm. New  
members are welcome!

The Club is a member of the  
Garden Club Federation of  
Massachusetts.

**CHARLETTE HINES, FNP-BC  
JOINS STAFF AT MANET  
COMMUNITY HEALTH CENTER,  
TAUNTON AND HOUGHS NECK**

QUINCY, MA (November 7, 2016)  
–Manet Community Health Center  
is pleased to welcome Charlette  
Hines, FNP-BC to its growing list of  
providers. Hines is a certified family  
nurse practitioner and she will see  
patients of all ages at Manet's practice  
sites in Taunton (1 Washington Street)  
and Houghs Neck (1193 sea Street,  
Quincy).

Hines has a strong background in  
community health, working as a project  
coordinator for the Tufts University  
Friedman School of Nutrition Science  
and Policy and a health educator at  
the Dana Farber Cancer Institute on a  
number of community-based research  
programs. Her work there brought  
her to community health centers and  
sparked her interest in nursing.

"I love working with community-  
based populations," she said, "and  
I saw how the community health  
center providers have a real stake  
in improving their patients' health  
and improving the health of the  
community. I have a strong interest  
in finding ways to mitigate health  
disparities and working with  
underserved populations, helping  
them develop healthy strategies  
through education."

Hines earned both her Bachelor  
of Science and Master of Science  
degrees in Nursing at Regis College.  
She also holds a Bachelor of Arts in  
Psychology and Neuroscience from  
Williams College. She is certified by

the American Nurses Credentialing  
Center.

She lives in Brockton, and is the  
mother of two children – nine year old  
Shauna and 19 month old Cameron.

To make an appointment with  
Hines, call Manet, Taunton at 508-

Last month I wrote about the chronic blighted property at 45 Shennen Street. I am pleased to report that this eyesore has been demolished. As of now, there are no plans for this property. If the owner opts to build one single family home, he could apply for a building permit and do so "by right". If he opts to again attempt to subdivide and build two homes, he will need to file for a variance and I will require a neighborhood meeting prior to the Zoning Board Hearing, stay tuned.

Last month, I hosted a neighborhood meeting regarding Macy/Grenham Park. We discussed the existing conditions and needs for Macy Park. The playground equipment at this location is geared for ages 2-5. With Labreque, Brill and Atherton Hough School having equipment for the older ages, it was agreed that this location should continue to have equipment focused on the younger ages. Requests were made for shade trees and amenities to include benches, picnic tables and more trash barrels. Neighbors expressed sanitation concerns and discussed disappointment with dogs use of this area. All agreed that the chain link fence is an eyesore and while wanting to keep kids contained, wondered if there's an alternative option that would keep kids in but deter people from using as a dog park. Neighbor Scott Bishop, owner of Bishop Land Design, offered a concept of a natural berm and to be designed so that landscaping serves as a perimeter barrier and eliminate the fence altogether. Scott has offered to present some conceptual visuals for the follow up meeting. Parks Director Paul Franz estimated

the playground equipment would cost about \$100k. Discussion was had about rubber surfacing versus wood chips and it is estimated the rubber surfacing will increase the project cost by \$35k. We talked about incorporating nautical elements to suit our coastal community. While commonly referred to as "Macy Park", it is named for Sgt. Lawrence A. Grenham, a Houghs Neck resident who was killed while serving in Vietnam in March of 1968.

I will be hosting a follow up meeting on Wednesday, December 7, 2016 at 6:00pm at the Houghs Neck Maritime Center, 137 Bay View Ave. The City of Quincy has been working with MA DCR on the Houghs Neck Maritime Center Project and have submitted the Notice of Intent for the first phase of the project which will include the removal and replacement of the existing boat launching and associated rip-rap, as well as replacement of the pier of the existing floating dock and alignment of the floating dock through the installation of steel guide piles. This matter is scheduled on the Conservation Commission Agenda for Wednesday, January 4 at 7:30 PM at City Hall in the First Floor Meeting Room, 1305 Hancock Street. Anyone can attend the meeting to express their support or opposition to proposed projects. If you cannot attend the meeting, you can send a letter to Director of Inspectional Services, Jay Duca, 55 Sea Street, Quincy, MA 02169 or by email to [jduca@quincyma.gov](mailto:jduca@quincyma.gov). Just to clarify, this application is specific to the boat ramp construction and the floats behind the Maritime Center. This doesn't involve the Public Landing, the building, the parking

lot, etc. Those matters are parts of a future phase and will be the subject of future public meetings.

Throughout the year, but particularly during the holiday season, I often hear from families needing support. Quincy has some fantastic non-profit organizations that I work with regularly in assisting residents with these needs. If you or someone you know needs help this holiday season, please reach out. As hard as it is to ask for help, I assure you once connected with these organizations, you will be relieved to take advantage of the resources they offer. Germantown Neighborhood Center, 617-376-1384, has a food pantry and holiday assistance program in addition to their many life skills programs throughout the year. Quincy Community Action, 617-479-8181 [qcap.org](http://qcap.org), is typically the first agency I refer people to. Their counselors are great at

working through your needs and connecting with available resources. Whether you qualify for their energy programs, fuel assistance, emergency rent/mortgage assistance, mortgage default counseling, need assistance applying for food stamps, QCAP is there to assist you. Interfaith Social Services 617-773-6203 has a food pantry, career counseling, homelessness prevention and emergency assistance programs. Quincy has many social service agencies and I welcome you to contact me, if you need assistance in these or other areas and I can make those connections for you.

The Houghs Neck Tree Lighting is always one of my favorite traditions. These free community events are an important part of our neighborhood and what makes it such a strong community.

I wish you all Merry Christmas and a Happy New Year! *Margaret*

Dear Houghs Neck Residents,

I hope your Thanksgiving weekend was enjoyable with family, friends and football. There is little activity at the State House during the holiday period. There will be requests for legislation to be filed or co-sponsored starting in mid-December. I fully expect that my emails will increase substantially as the year ends. Legislation filed for the 2017-2018 legislative session must be completed by the third week of January. This legislation is considered "timely" and can receive immediate joint committee assignment as opposed to legislation filed after the deadline. Legislation filed after the deadline are "late files" and must go through the House and Senate Committee on Rules before being sent to a legislative joint committee.

Chapter 219 of the Acts of 2016, An Act Relative to Job Creation and Workforce Development, will enhance the state's position as a global economic competitor and support residents through education programs. These programs will be funded through bonds that the Governor can issue at his discretion. For the first time, the law creates an education tax incentive program (529 plan) which will allow single filers to take a \$1,000 tax deduction on contributions to college savings accounts. The law also establishes an Angel Investor Tax Credit to incentivize investment and foster growth in newly formed start-ups in Massachusetts. These investors are eligible for a 20 percent credit of the

qualifying angel investment and 30 percent if the recipient business is located in a Gateway City.

The Digital eHealth Institute was established and will be operated by the Massachusetts Technology Collaborative in coordination with the Secretary of the Executive Office of Housing and Economic Development, enhancing the state's rapidly emerging e-health cluster. It dedicates \$4.5 million to launch the Cybersecurity and Data Analytics Technology Department & Training Center. This organization will bring together universities, government and private industry participants to bolster the Commonwealth's data analytics and cybersecurity sectors.

Five hundred million dollars was dedicated to the MassWorks Infrastructure program. Workforce development education is an important part of helping workers adapt to our changing economy. Another \$45 million was dedicated to Workforce Skills Capital Grants, \$71 million for the National Network for Manufacturing Innovation Funding, \$30 million for the Advanced Manufacturing, Technology and Hospitality Training Trust Fund, and \$2.4 million for the Early College High School Initiative. The Advanced College High School Initiative is a program that encourages partnerships between regional school districts and institutions of public higher education.

The law dedicates \$15 million for the Innovation Infrastructure Fund, which provides a new grant

and loan program aimed at spurring entrepreneurship across the state, particularly through the use of co-working spaces and innovation centers. Forty-five million dollars was dedicated to the Brownfields Redevelopment Fund, to clean up and redevelop industrial properties. Another \$45 million was invested in the Transformative Development Fund, a program that makes equity investments in major development programs in Gateway Cities. Finally, the law authorizes \$15 million for the Smart Growth Housing Trust Fund.

The Massachusetts Turnpike will no longer have toll booths to accept money on its toll and airport roads. Instead, all tolls will be charged to your credit card through a transponder attached to the windshield of your car. The E-ZPass program has already been successfully implemented on the Tobin Bridge. By the end of November all the toll booths will be demolished and most, if not all, of the tunnels under the toll booths will be filled in. Drivers without a transponder will receive a bill including an additional service charge in the mail. The transponders are free and you can get one at the AAA storefront (650 Adams Street, Quincy), RMV branches, or Herb Chambers Dealerships. You can find more information at [www.ezdrivema.com/ezpassma](http://www.ezdrivema.com/ezpassma).

A total of \$2.91 million is being awarded to Attleboro, Fall River, Gardner, Gloucester, Holbrook, the Jones River Watershed Association, the Kestrel Land Trust, the Nature Conservancy, Scituate, the Sherwood Forest Lake District, Westfield and Weymouth for dam projects, and nearly \$7.7 million to Marshfield, Plymouth, Quincy, Salem, Scituate, and Yarmouth for coastal protection

projects. The awards include both grants and loans to help finalize designs to reconstruct critical infrastructure and remove obsolete or unneeded structures. Secretary of Energy and Environmental Affairs, Matthew Beaton, visited Quincy on November 2nd to announce a grant awarded to Quincy for \$441,000. The grant will support the final design and permitting costs for repairs and improvements to approximately 6,000 linear feet of seawall along the northern shore of Adams Shore and Houghs Neck. These structures protect the shoreline, residential homes, public utilities, and critical transportation and evacuation routes. The seawalls will be repaired and raised to accommodate future sea-level rises and impacts from the changing climate, including increased frequency and intensity of storms. One of the greatest threats to the project area is coastal flooding from a storm surge. The potential for storm surge flooding extends well inland over much of project area. Only a small section of Houghs Neck and Adams Shore have sufficient elevation to avoid flooding during a Category 1-4 hurricane. For the majority of this area, the seawall provides a first line of defense during these powerful storm events.

Merry Christmas, Happy Hanukah and a Happy New Year.
