

Dear Sister in Christ,

Greetings in the wonder name of our Lord and Savior Jesus Christ. We are honored by your interest in *Supporting Women In Ministry International*. It is our pleasure to send you the enclosed Application for Ordination packet in response to your request.

We believe it is the Holy Spirit of God who “calls”, equips and raises up leaders in the Church, both men and women. Ordination is the recognition and affirmation by the Body of Christ of what God has Himself purposed and established in a person’s life. We do take this opportunity of ordination as a holy and serious matter. However, we are not primarily a Christian ordaining service, instead we exist to support women, in different ways, who are currently in ministry or preparing for ministry with the goal of spreading the Good News of salvation through Jesus Christ the Lord.

Knowing full well there are many means of being ordained in Christendom today, we see our ordination process in a unique way. Rather than have a one-size-fits-all procedure, *S.W.I.M.* has no set time frame or set educational requirements. Instead, we desire through much prayer to be lead by the Holy Spirit’s guidance in determining what each applicant needs by way of skills and preparation to fulfill their particular ministry to which they are called. Therefore, *S.W.I.M.* offers unique and specific assistance for women as they prepare for leadership in Christian ministry. *S.W.I.M.* is meant to be foremost a support network that is relationally based, whereby we, as women in ministry, can learn from and assist one another in fulfilling God’s purposes in our lives.
