**Hard Rock's Hibiscus** is a wonderful combination of her **Sire's Style** and **Dam's Conformation**. She has been a **Trouble Free Producer** of 3 crias. Her first is Audra's showmanship animal. The second, purchased by Sugar River Llamas, was our largest BAL Renegade offspring that year. The 3<sup>rd</sup>, currently at her side, is an **Exciting Young Show Prospect** sired by **BAL Renegade**. Renegade was purchased by our farm to bring **Proven Outcross Bloodlines** of style and substance to our herd. To say we have been overjoyed is an understatement. His crias have been **Competitive** against the **Best Competition in the Country**. We think this young male will be too. Hibiscus has been **Exposed** to our **Grand Champion Junior Herdsire**, Hard Rock's Follow My Tracks, for an exciting **2022 Cria**.
