### PRESIDENT'S MESSAGE: May 2020

It looks like we are down until June 2020. If this should change, we'll let everyone know. Have heard from quite a few of our members as to how they are doing. I along with all our ladies, miss seeing everyone's face and talking together.

Everyone is hard at work: More than 1,000 face masks have been distributed. I want to THANK all the members who have put their hearts into the making of the face masks, as they were drastically needed. To date, those agencies requesting our help: Aging Matters has received 150, Devereux House has received 200, and Hospice of St Francis has received 150. Members have also been contributing their services to friends & families throughout parts of Florida and the United States.

Pillowcases are being made ready for Fall & Winter, and we keep adding more quilts and quilting items to our supply.

Glad to see Rose Palek is fairing so well. She has been missed. Mona Margetts is healing nicely and as always being her joyful self.

Diana Thompson will be leaving us soon, but she sincerely wishes to see as many of us as she can. Some of the girls have went to see her and she is enjoying every bit of each's time together. She hopes to see all her friends before she leaves. I know, we will miss her very much. She is a TRUE FRIEND.

Mindi Redditt has contacted me to inform the Guild that everything dealing with Cracker Christmas" is up in the air at this point. Upper management has not made a

determination at this point as to whether the event will happen. We are all in what is called a “Status Quo” environment.

I would like to wish ALL our ladies a *Happy Mothers’ Day* as we are all mothers in one respect or another. Even though we may not be with our families/friends at this time, they are always with us.

*Janice (Jan) K. Brock – President*

## DONATION UPDATE from Doris

We very much appreciate the extra efforts so many of you ladies are making in helping to get our donation items completed. I will be happy to pick up any items you have. I commented that I was beginning to feel as if I was a street vendor - you have been coming by my house and dropping off into my garage or I stop by your homes and items are placed in the trunk of my vehicle and we can still keep our 6 ft of distance. At least I get to see some of you.

\*Dawn is making 14 quilts for BETA & gave me fabric to make pillowcase kits.

\*Karen is embroidering and stuffing bears, making masks, quilts & table toppers.

\*Katie is cutting fabric for USO quilts – we need about 15 more.

\*Janet is producing quilts, placemats, table toppers, masks in her sleep for donation and sale & sewing pillowcases.

\*Cora is quilting small quilts, sewing binding on quilts, making pillowcases

\*Gay is making pillowcases

\*Joyce is sewing binding on quilts

\*June is putting on binding and labels

\*Karen & Katie came by my house before the containment and helped me sandwich bed size quilts, I think there were about 25 of them. We used most of our donation fabric for the backings.

\*Diana Thompson has donated quilt tops & lots of fabric that I have used to make pillowcase kits and backings.

\*Janette has made quilts for the school children and is sewing pillowcase kits.

The ladies that machine quilt large quilts for us: Linda, Karen Sue, Jeanette, Laura

I know I have not listed everyone, please, forgive me & I will make sure you are in the next newsletter.

And of course, everyone has been making masks for their families and organizations. Should you have masks for organizations please give them to Jan as she is taking care of the requests for Hospice, Aging Matters, Devereaux House, etc.

I miss all of you. Stay healthy and safe. Wear your masks!!!

**\*\*Jessica is collecting old T-Shirts or blankets for the critters. If you have any you are cleaning out, please keep them in mind.**

## Lakeland Quilt Show

Lakeland show is back on for **August 27** ....Judi Sierer is going to see if she should get a bus organized if enough ladies are interested in going... if you would like to go please contact Judi Sierer - no money Required now.

## OOPS 2.0

Apparently, I have been more affected by the quarantine than I thought! It seems that my last email, OOPS 1.0, had attached to the bottom of it the letter from 2019. How's that for stepping back in time?

Anyway, the correct dates for QuiltFest are **May 13-15, 2021**.

I will say no more for fear of another mistake :) Quilt on, merry quilters and we will see you all with your beautiful quilts in May 2021.
